Clever Fox Jane Burn:

Clever Fox Jeanine Pirro, 2012-09-18 Prosecutor Dani Fox finds herself amidst warring crime families in the aftermath of a murdered Mafia capo's daughter. Drawing from her own past as a dynamic hard charging district attorney and judge Emmy award winner Jeanine Pirro's page turner is ripped from the headlines full of gripping details authentic thrills and suspenseful realism that can only come from a courtroom litigator who's been in the trenches. Prosecutor Dani Fox has handled some gruesome homicide cases but her investigation into the brutal murder of a local Mafia capo's daughter goes from tricky to downright dangerous. Although the victim has ties to the New Jersey Mafia she was also secretly engaged in an affair with someone from a rival New York crime family. As if squaring off against two powerful crime families weren't enough Dani suspects that the murder is more than a simple crime of passion and getting to the bottom of this grisly homicide puts Dani and her long term boyfriend Will in harm's way. **Clever Fox** has you rooting for Dani in this deadly fight between the ace prosecutor and an elusive and dangerous killer. *Plain Jane 3* Jane Coma, 2012-11 The stories contained in this book were told to children in Albania many years ago. Some may appear harsh confusing or antiquated to contemporary readers but they are best understood as stories written for us and not to us. Albania is an ancient and rich culture with centuries of tradition so please read these stories with that in mind. In *Plain Jane 3* I will share childhood stories that I heard growing up. Although my grandparents and great grandparents were uneducated people they were very smart though quite old fashioned. They taught me the value of hard work and how to enjoy the simple pleasures of life. **On Being a Sh*t: Unkind Deeds and**

Cover-Ups in Everyday Life, Edition with Asterisks Jane Gilgun, 2008-08-01 This is a humorous look at a serious topic of how people do unkind things and then try to cover them up through humor proclamations of innocence and blaming others. Through stories the author shows that no one can be a sh*t without your consent but they can succeed as b*stards p*cks schmucks and weasels all on their own. Read this book and you will be ready to dethrone the next person who dumps on you. For those who aspire to be sh*ts this book is a step by step guide. For those who want to be accountable this book shows how. It is custom made for readers who prefer not to read slang in texts. Each of the slang terms have asterisks in key places. This book also shows how to develop and test theory using qualitative methods and makes a great research text. Clever Fox
