Routledge Handbook of Trauma in East Asia Tina Burrett, Jeff Kingston, 2023-04-03 This handbook explores trauma in East Asia from the nineteenth to the twenty first century assessing how victims perpetrators and societies have responded to such experiences and to what extent the legacies still resonate today Mapping the trauma scape of East Asia from an interdisciplinary perspective including anthropologists historians film and literary critics scholars of law media and education political scientists and sociologists this book significantly enhances understandings of the region s traumatic pasts and how those memories have since been suppressed exhumed represented and disputed In Asia s contested memory scape there is much at stake for perpetrators their victims and heirs to their respective traumas The scholarly research in this volume examines the silencing and distortion of traumatic pasts and sustained efforts to interrogate denial and impunity in the search for accountability Addressing collective traumas from across East Asia China Hong Kong Japan Russia Singapore South Korea Taiwan and Vietnam this book is a valuable resource for students and scholars of Trauma and Memory Studies Asian Studies and Contemporary Asian History more broadly

Classical Japanese Cinema Revisited Catherine Russell, 2011-06-16 Catherine Russell s highly accessible book approaches Japanese cinema as an industry closely modeled on Hollywood focusing on the classical period those years in which the studio system dominated all film production in Japan from roughly 1930 to 1960 Respectful and thoroughly informed about the aesthetics and critical values of the Japanese canon Russell is also critical of some of its ideological tendencies and her analyses provide new insights on class and gender dynamics Russell locates Japanese cinema within a global system of reception and she highlights the importance of the industrial production context of these films Including studies of landmark films by Ozu Kurosawa and other directors this book provides a perfect introduction to a crucial and often misunderstood area of Japanese cultural output With a critical approach that highlights the everydayness of Japanese studio era cinema Catherine Russell demystifies the canon of great Japanese cinema treating it with fewer auteurist and Orientalist assumptions than many other scholars and critics

When a Woman Ascends the Stairs (Onna ga kaidan o agaru toki) Catherine Russell, 2025-03-27 Mikio Naruse s *When A Woman Ascends The Stairs* 1960 combines high melodrama with modernist film language telling the story of Keiko a bar hostess struggling to succeed in Tokyo s Ginza district Catherine Russell s study of the film provides an in depth analysis of Naruse s distinctive filmmaking from his use of two shots in confined spaces unique lighting techniques and his invisible and rhythmic editing style She analyses the recurring motif of a woman s white stockinged feet climbing stairs considering how this symbolizes the social dynamics of the high class Japanese sex industry that sustains hostess bar culture Russell goes on to argue that the film is a late woman s film which engages with the institutional barriers to woman s success in postwar Japan She situates the film within the trajectory of Naruse s career and analyses how his social critique is balanced with an aestheticization of a harsh and brutally gendered world creating an affective tension that is symptomatic of Naruse s own

position as an industrial worker The Cinema of Naruse Mikio Catherine Russell, 2008-09-08 The first English language book dedicated to an analysis of Naruse Mikio one of Japan's most prolific directors whose films provide unique insight into the representation of female subjectivity and modernity in Japan The Japanese Cinema Book Hideaki Fujiki, Alastair Phillips, 2020-04-02 The Japanese Cinema Book provides a new and comprehensive survey of one of the world's most fascinating and widely admired filmmaking regions In terms of its historical coverage broad thematic approach and the significant international range of its authors it is the largest and most wide ranging publication of its kind to date Ranging from renowned directors such as Akira Kurosawa to neglected popular genres such as the film musical and encompassing topics such as ecology spectatorship home movies colonial history and relations with Hollywood and Europe The Japanese Cinema Book presents a set of new and often surprising perspectives on Japanese film With its plural range of interdisciplinary perspectives based on the expertise of established and emerging scholars and critics The Japanese Cinema Book provides a groundbreaking picture of the different ways in which Japanese cinema may be understood as a local regional national transnational and global phenomenon The book's innovative structure combines general surveys of a particular historical topic or critical approach with various micro level case studies It argues there is no single fixed Japanese cinema but instead a fluid and varied field of Japanese filmmaking cultures that continue to exist in a dynamic relationship with other cinemas media and regions The Japanese Cinema Book is divided into seven inter related sections Theories and Approaches Institutions and Industry Film Style Genre Times and Spaces of Representation Social Contexts Flows and Interactions

This article will explore the advantages of Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental

impact associated with book production and transportation. Furthermore, Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Classical Japanese Cinema Revisited Author Catherine Russell Published On August 2011 books and manuals for download and embark on your journey of knowledge?
