**Laura Desfor Edles, Scott Appelrouth**

## **Classical Sociological Theory:**

Explorations in Classical Sociological Theory Kenneth Allan, 2005-01-12 Rather than a work of theory itself Explorations in Classical Sociological Theory Seeing the Social World is an insightful work that invites students to think creatively reflexively and critically about their social worlds Written in a conversational tone that lifts the veil of theoretical jargon Explorations in Classical Sociological Theory introduces students to the major classical theorists including Marx Spencer Durkheim Weber Simmel Mead Schutz Gilman and Du Bois This text focuses on the individual perspective of each theorist rather than schools of thought and uses the provocative ideas of modernity and postmodernity to help students understand how the theoretical historical perspectives apply to their own time period

**Classical Sociological Theory** Craig Calhoun, Joseph Gerteis, James Moody, Steven Pfaff, Indermohan Virk, 2022-04-25 A world class introduction to the historical and continuing impact of classical theory on sociological debate The latest edition of Classical Sociological Theory offers students a definitive guide to the theoretical foundations of sociology and the continuing impact of the ideas explored by early theorists including Marx Durkheim Weber Mead Simmel Freud Du Bois Adorno Marcuse Parsons and Merton The prestigious editors have integrated several readings on the most influential theories arising out of the Enlightenment era and the work of de Tocqueville Readers are introduced to seminal works in classical sociological theory by way of editorial introductions that lend historical and intellectual perspective to the included readings The readings themselves have been selected based on their combinations of theoretical sophistication and accessibility From analyses of self and society to examinations of critical theory and structural functional analysis Classical Sociological Theory remains the gold standard in classical theory readers The Fourth Edition of this widely taught book includes Selections that trace the history of classical sociological theory from its undisciplined roots to its modern influence on contemporary sociological debate Readings describing the pre history of sociology including ideas from the Enlightenment and de Tocqueville Editorial introductions that place selected works firmly in their intellectual philosophical and historical contexts for the benefit of the student A distinguished and scholarly team of editors with a wide and deep range of expertise Perfect for undergraduate and graduate students of social and sociological theory Classical Sociological Theory is also a thought provoking resource ideal for use in courses taught in human geography anthropology criminology and urban studies programs

**Foundations of Classical Sociological Theory: Functionalism, Conflict and Action** Paramjit S. Judge, 2012 Foundations of Classical Sociological Theory Functionalism Conflict and Action provides an extensive analysis of classical sociological theory by giving readers an introduction to the life and ideas of all the eminent thinkers The book begins by giving an overview of the emergence of sociology as a discipline in the background of socio economic development that characterized Europe in 18th century The first part of the book examines how the theorists viewed society as an organism the second part takes cognizance of the conflict theory and third part deals with the emergence of action theory which took ambivalent position with regard to

science and emphasized human agency and consciousness Written in a very simple language this book will help students delve deeper into the subject      Classical Sociological Theory Bert N. Adams,R A Sydie,2002-01-29 A concise yet surprisingly comprehensive theory text given the range of ideas historical context and theorists discussed Unlike other books of the type Classical Sociological Theory focuses on how the pivotal theories contributed not only to the development of the field but also to the evolution of ideas concerning social life      Classical Sociological Theory George Ritzer,Jeffrey Stepnisky,2016-12-27 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory George Ritzer and Jeffrey Stepnisky s Classical Sociological Theory Seventh Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories New to this Edition In Ch 1 Colonialism is now discussed as a major social force in development of modern society In Ch 2 there is an expanded discussion of the historical significance of Early Women Founders and the contributions of W E B Du Bois The chapter on Du Bois Ch 9 includes new material about his intellectual influences New contemporary commentary about Durkheim has been added to Ch 7 Ch 9 includes new material from recently translated later writings of George Simmel providing new context for his overall theory Addition of Historical Context boxes throughout text Sections on contemporary applications of classical theory have been added to each chapter      Handbook of Classical Sociological Theory Seth Abrutyn,Omar Lizardo,2021-11-01 This is the first handbook focussing on classical social theory It offers extensive discussions of debates arguments and discussions in classical theory and how they have informed contemporary sociological theory The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions and theoretical traditions This book presents new approaches to thinking about theory in relationship to sociological methods      **Sociological Theory in the Classical Era** Laura Desfor Edles,Scott Appelrouth,2020-06-18 Sociological Theory in the Classical Era Fourth Edition is an innovative text reader for courses in classical theory The new edition of this bestseller expands the explanation of the theoretical framework includes streamlined primary readings and features updated examples statistics and visuals throughout every chapter      Explorations in Classical Sociological Theory Kenneth Allan,Sarah Daynes,2016-09-22 Praised for its conversational tone personal examples and helpful pedagogical tools the Fourth Edition of Explorations in Classical Sociological Theory Seeing the Social World is organized around the modern ideas of progress knowledge and democracy With this historical thread woven throughout the chapters the book presents a diverse selection of major classical theorists including Marx Spencer Durkheim Weber Mead Simmel Martineau Gilman Douglass Du Bois Parsons and the Frankfurt School Kenneth Allan and new co author Sarah

Daynes focus on the specific views of each theorist rather than schools of thought and highlight modernity and postmodernity to help contemporary readers understand how classical sociological theory applies to their lives      Sociological Theory

David Ashley, David Michael Orenstein, 1985 This book provides a comprehensive examination of classical sociological theory by introducing students to the life times and ideas of the figures who have had the greatest influence on the development of the field Each chapter focuses on one theorist and his ideas organized into a social and historical perspective Students will enjoy reading the background information on each theorist covered in the book These include such interesting highlights as Comte s days in military school the death of Durkheim s son in World War I Spencer s inability to commit to marriage and Hegel s illegitimate son Taking a critical and reflexive approach the text also discusses how classical theory affects sociology today      **Classical Sociological Theory** George Ritzer, Douglas J. Goodman, 2004
