Clearly Now The Rain Clearly Now The Rain:

Clearly Now, the Rain Eli Hastings, 2013-05-01 This memoir of a relationship with a self destructive woman is as elemental lyrical and cringe inducing a love story as they come Kirkus Reviews Suspenseful darkly funny and devastating this is Eli Hastings s true story of his troubled decade long relationship with his friend Seralia At family events Seralia wore saris and ate delicately from plates of curry But elsewhere she wore a lip ring designer shades and a cowboy hat would regularly drink frat boys under the table would sleep less than five hours a week and would place herself in dangerous situations for another bag of heroin Seralia s complex character and seemingly haphazard choices are brought to vivid life from ill advised quests for narcotics in Mexican border towns to unplanned fifty hour road trips from Los Angeles to New York City Although her dark and traumatic journey concluded tragically at age twenty seven Hastings writes with a sense of hope and tenderness in this drug romance and adventure filled memoir of their unique relationship The Seattle Times An unflinching account of how it feels to be young and flirting with the abyss in America The narrator s observations as he and his friends ride rough across the U S A all pulled to orbit around their friend lover and lost soul Seralia are also an investigation into the dangerously different ways that people respond to addiction This is an elegy yes as if told by a boy who began his quest tutored by Kerouac s ghost but became on this hard road a man schooled in love by the spirit of the Dalai Lama Rachel Rose author of Giving My Body to Science

I Can See Clearly Now Dr. Wayne W. Dyer, 2015-02-24 For many years Dr Wayne W Dyer s fans have wondered when he would write a memoir Well after four decades as a teacher of self empowerment and the best selling author of more than 40 books Wayne has finally done just that However he has written it in a way that only he can with a remarkable take home message for his longtime followers and new

readers alike and the result is an exciting new twist on the old format Rather than a plain old memoir Wayne has gathered together quantum moment recollections In this revealing and engaging book Wayne shares dozens of events from his life from the time he was a little boy in Detroit up to present day In unflinching detail he relates his vivid impressions of encountering many forks in the road taking readers with him into these formative experiences Yet then he views the events from his current perspective noting what lessons he ultimately learned as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service As a reader you will feel as if you are right there with Wayne perusing his personal photo album and hearing about his family his time in the service how he writes his best selling books and so much more In the process you ll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now Wayne has discovered that there are no accidents Although we may not be aware of who or what is moving the checkers life has a purpose and each step of our journey has something to teach us As he says I wasn t aware of all of the future implications that these early experiences were to offer me Now from a position of being able to see much more clearly I know that every single encounter every challenge and every situation are all spectacular threads in the tapestry that represents and defines my life and I am deeply grateful for all of it I Can See Clearly Now is an intimate look at an amazing teacher but it also holds the key for seekers on a personal path of enlightenment Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses helping us accomplish the mission we came here to fulfill **I See More Clearly Now** Clayton Janecky,2005-06 **I Can See Clearly Now**
