It addresses the need for health education, the learning process, principles of learning, and assessing readiness. This text includes a client-based teaching plan that is designed to incorporate the theory presented in each chapter. The Second Edition features the Miller Stoeckel Client Education Model, increased chapter exercises. Additional bonus content such as discussion questions and weblinks can be found on the Navigate Companion Website, which is free with each new textbook purchase. Key Features: Evidence-based practice articles within each chapter; Miller Stoeckel Client Education Model; updated Bonus content; discussion question; Web links and more chapter exercises.

Client Education: Theory and Practice Mary A. Miller, Pamella Rae Stoeckel, 2024-11-15 Client Education Theory and Practice Fourth Edition teaches nursing students the important skills of patient education and health promotion. The authors use their unique Miller Stoeckel Client Education Model as the organizing framework to emphasize the importance of the Nurse-Client Relationship and how this relationship is paramount to the success of client education. They focus on the key role that nurses play in educating individuals, families, and groups in clinical settings. The updated Fourth Edition addresses the need for health education in nursing by covering the learning process and discussing the needs of clients across the age span. The authors' thoughtful revision includes updated statistics on chronic diseases and new data on generations Z and Alpha. Furthermore, they teach students how to work with culturally diverse populations by presenting specific teaching approaches.

Client Education Dorothy E. Babcock, Mary Alice Miller, 1994 CLIENT EDUCATION THEORY AND PRACTICE provides comprehensive information on educating clients based upon their individual learning needs. Focusing on the unique needs of clients, this text helps nurses meet the various learning needs of children, adults, and older adults, as well as ethnically diverse clients. Strategies for analyzing, planning, implementing, and evaluating client learning appear throughout the text.
