Doesn't Suck Jaimie Engle, 2019-12-30 Your Book Might Suck But it doesn't have to You are an awesome writer with an incredible fiction story the world needs to experience But your book well it kind of sucks So let's fix that Setting your novel apart from the rest is a choice Fiction is more than a character doing stuff in a place you've invented There are rules to magic and seasons to setting and double meanings to words and a cadence to sentence structure if you want to write a book that doesn't suck I guarantee you will find tricks and treats you've never heard or read before in any other writing book If not let me know and I'll refund your money But if I'm right and my book helps you to write a novel that doesn't suck then I'm asking you in return to leave a positive review That's fair isn't it Ready to get started Great There are questions with space to answer at the end of each chapter to help you along your journey I'm super excited for you and wish you all the luck in writing your novel *Tales of the Undead - Suffer Eternal Anthology: Volume III* Nathan J.D.L. Rowark, 2013-10-08 The undead stand defiant before the dawn determined to outlive and outrun the end of forever One final time we shall know their pain and suffering for ourselves It's time to run with the wild ones and break loose from the pack as over twenty authors from around the world unleash their tales of an eternity gone wrong Dare you brave such epically depraved circumstance one final time Clifton Chase on Castle Rock Jaimie Engle, 2020-11-24 A boy is chosen by a magic arrow to travel through time and help Robin Hood on an adventure Clifton Chase just wanted life to go back to normal again But things were starting to happen Two kids showed up at school that looked just like the princes from 1485 Clifton thought he was being followed and then a hob thrush showed up in his closet and stole the Arrows of Light Clifton wanted no part in this adventure Until he learned that someone he knew was alive Dane the dwarf a teenager in the eleventh century Could Clifton make things right by warning Dane of what was to come The second in the Clifton Chase Adventure Series full of danger magic love and friendship
