Climbing Higher The Autobiography Of Leroy:

Climbing Higher! Leroy Frazier, 2014-08-23 My autobiography is an internal conversation with myself about what happened in my life during each seven year period It shows how I continued to evolve during each seven year period each cycle On the year of publication of this first edition of my autobiography I have completed nine cycles 63 years The book shares important and intimate details about the following areas and many others My Personal life My Love Life My Home Life My Sole Mate My Parents and Siblings My Extended Family My International Family and Experiences My Church Spiritual Experiences My Non Traditional and Evolving Ministry My Educational Experiences My Teachers My Role Models My Successes and Failures My Civil Rights Activities My Non Traditional Outlooks on Life My Old Communities and Friends My Work Experiences My Business Experiences My Professional Meetings and Honors My Publications My Home Places My Old Automobiles My Future Plans I have chosen to publish a new edition of my autobiography at the end of my tenth cycle 70 years if the Divine Infinite God allows me to live on this side of glory at that time and with a sound mind Each edition lays a foundation for me to build on for the next seven years the next cycle This has proven to be a powerful strategy to keep looking at my life and continuing to evolve moment by moment Writing my autobiography was like completing a life puzzle I discovered some interesting opportunities that I could have pursued earlier in life and some negative actions that I could have avoided I did not see the full picture in earlier years because I was not looking at my life transcript The autobiography writing helped me to see those missed opportunities and unfortunate pitfalls What I know now is that I can use my autobiography as a tool to see my life patterns clearly and plan effectively for the future It was an awesome experience to look back over my life or to look down memory lane I am thankful to the Divine Infinite God for the opportunity to live an extraordinary life He lives in me works through me and appears as me moment by moment *The Joyous Journey of LeRoy R. and Ann W. Autobiography Michael A. Straight, 2012-03-16 December 1985 Dear Father Thank you Father for helping me through what has been both a challenge and a struggle Writing by hand has been difficult for me and for those who have helped me translate my writing to book form Because of problems with my speech it has been hard to deal with the many details of editing and printing Thank you also Father for allowing my employment to continue for helping me to overcome the daily problems of working and living and for allowing me to find some pleasures too even some girls and their love Thank you for the many friends you have helped me make in my church and in others in high school in college at work and for the help they have given me And finally thank you for my wonderful family and for the strength you have given them in helping me survive

Mike Straights diary spans seven and one half years It is a story of early teens triumphs in football tragedy and striving to become whole again after an automobile accident at age 16 While it was a tremendous blow to be denied his beloved sport of football he fought his way upward to many accomplishments though confined for the most part to a wheelchair Since his accident he has learned how to drive again owned several cars bought and sold his own home gone to three colleges and has held a manufacturing assembly job for the last several years Now in addition to his job he lifts weights exercises daily and goes dancing Mike has had for him great success that most of us enjoy as normal Yet love has eluded him not having the true love of a woman returned to him has been his ongoing trial as his diary will tell you Only through a deep love for God and a sometimes wavering and often challenged faith in Him has Michael sustained his determination to be good better best That he has been able to write and publish this book is a tremendous tribute to both his faith and his determination as you will see
