Weger, Martha P. Dewees**

Clinical Assessment For Social Workers Qualitative And Quantitative Methods Third Edition:

Clinical Assessment for Social Workers, Third Edition Cathleen Jordan, Cynthia Franklin, Stiernberg/Spencer Family Professor in Mental Health Cynthia Franklin, Ph.D., 2011-06-01 Lyceum's best selling assessment book is now even better Jordan and Franklin combine two approaches qualitative and quantitative that are often considered at odds The authors unique synthesis creates a new approach that encourages the use of multiple methods in formulating client assessments Clinical Assessment provides a variety of tools for performing assessments derived from different perspectives giving readers greater flexibility in their own data collection The research base for the third edition has been updated and the revised chapters adhere to the latest standards for evidence based practice The editors provide explicit information tools and case studies to illustrate these new methods The authors combine traditional and recent methods to offer a flexible mixed methods approach to assessment Useful learning tools include sample forms examples of standardized measures samples of integrative skills assessment review questions chapter summaries and extensive references

Clinical Assessment for Social Workers Cathleen Jordan, Cynthia Franklin, 2020-09-15 The fifth edition of Clinical Assessment like earlier editions of this text continues to show how to combine practice wisdom and evidence based methods when formulating assessments and intervention plans This new edition also emphasizes the biopsychosocial spiritual framework and the importance of the strengths perspective in assessment including updates on neuroscience Additionally every chapter in this fifth edition includes new updated information that covers approaches to assessment and how to assess various client populations including clients who experience adverse childhood experiences trauma and clients from under represented minority backgrounds Like the 4th Edition of this text measurement instruments are added in each chapter including measures from the public domain that can be used for pedagogy and clinical practice

Clinical Assessment for Social Workers Cathleen Jordan, Cynthia Franklin, 2020-08-31 Clinical Assessment for Social Workers provides a wide range of standardized assessment tools derived from different perspectives to give readers greater flexibility in information gathering and intervention planning Incorporating both quantitative and qualitative methods the authors encourage readers to approach assessment as both an art and a science They advocate for discovering the balance between scientific evidence based approaches and the development of personal practice wisdom

Social Work Evaluation, Second Edition James R. Dudley, 2013-09 Accountability to stakeholders is essential for program funding and policy development It is increasingly the responsibility of all professionals to provide evidence supporting the relevance and effectiveness of their programs and individual practices Social Work Evaluation is a straightforward guide to conducting evaluations during the planning implementation and outcome stages of programs and practices Dudley has developed a seven step process for evaluations using qualitative quantitative and mixed research methods This comprehensive book offers students the knowledge and skills to play a more accountable role in the future of their profession

School Social Work, Eighth Edition Carol Rippey

Massat, Michael S. Kelly, Robert Constable, 2020-05-08 School Social Work Practice Policy and Research has been a foundational guide to the profession for over 40 years The first comprehensive introduction to the field the book has featured the writings of the pioneers in the field while also accommodating the remarkable changes and growing complexities of the profession with each subsequent revision The profession continues to grow in both the US and internationally despite the ever present concerns surrounding limited resources budgets and social worker to student ratios Contemporary school social work takes place throughout the whole school and community it takes place through policy change and it takes place with at risk students and their families as well as through individual and group work with students who struggle both emotionally and academically This book reflects the many ways that school social work practice impacts academic behavioral and social outcomes for both youths and the broader school community This revision features the contributions of 21 new scholars who bring their expertise in the field to this classic text There are ten all new chapters that reflect the current and emerging issues central to the profession and eight extensive revisions of chapters from the previous edition The eighth edition strengthens the book's focus on evidence informed practice and places all content within the context of the prevailing multi tiered model of school interventions

Solution-Focused Brief Therapy Cynthia Franklin, 2012 Therapy is frequently miscast as requiring an enormous amount of time and financial commitment but helpful goal oriented therapy can produce positive results after only a few sessions By focusing on solutions instead of problems SFBT asks clients to set concrete goals and to draw upon strengths in their lives that can help bring about the desired change for a preferred future

School Social Work Carol Rippey Massat, Michael S. Kelly, Robert T. Constable, 2015-06 History and general perspectives in school social work The policy context for school social work practice Assessment and practice based research in school social work Policy practice Tier 1 Interventions Tier 2 Interventions in schools working with at risk students Tier 3 Interventions in schools

Chapters 10-13: The Practice of Generalist Social Work, Third Edition Julie Birkenmaier, **Chapters 1-5: The Practice of Generalist Social Work, Third Edition** Julie Birkenmaier, Marla Berg-Weger, Martha P.

Deweese, 2014-01-21 This text for generalist practice courses is also available with a treasure trove of related materials for use in a two or three course practice sequence The text helps translate the guiding theoretical perspectives of social justice human rights and critical social construction into purposeful social work practice Six unique cases specially written for this Series provide a learning by doing framework unavailable from any other social work publisher Companion readings and many other resources enable this text to be the centerpiece for three semesters of practice teaching Go to www.routledgesw.com to learn more This custom edition includes the first five chapters for instructors teaching the first semester of a three semester generalist practice sequence and is also available in e book editions in a full range of digital formats

Clinical Work with Substance-Abusing Clients, Third Edition Shulamith Lala Ashenberg Straussner, 2013-12-13 A leading professional resource and course text this book provides practical guidance for treating clients with substance use disorders in a variety

of contexts Expert contributors present major assessment and treatment approaches together with detailed recommendations for intervening with particular substances Clinical techniques are clearly explained and illustrated with helpful case examples Important topics include harm reduction strategies for working with family members and ways to meet the needs of specific populations including women adolescents older adults LGBT clients and those with frequently encountered co occurring problems New to This Edition Revised to reflect current research and clinical advances updated for DSM 5 Chapters on trauma informed care cognitive behavioral therapy and complementary alternative approaches Chapters on neurobiology and behavioral addictions Significantly revised chapters on family treatment and dual disorders
