Combining Purpose With Profits Journal Article:

The Positive Organization Robert E. Quinn, 2015-08-24 Beholden to accepted assumptions about people and organizations too many enterprises waste human potential Robert Quinn shows how to defy convention and create organizations where people feel fully engaged and continually rewarded where both individually and collectively they flourish and exceed expectations The problem is that leaders are following a negative and constraining mental map that insists organizations must be rigid top down hierarchies and that the people in them are driven mainly by self interest and fear But leaders can adopt a different mental map one where organizations are networks of fluid evolving relationships and where people are motivated by a desire to grow learn and serve a larger goal Using dozens of memorable stories Quinn describes specific actions leaders can take to facilitate the emergence of this organizational culture helping people gain a sense of purpose engage in authentic conversations see new possibilities and sacrifice for the common good The book includes the Positive Organization Generator a tool that provides 100 real life practices from positive organizations and helps you reinvent them to fit your specific needs With the POG you can identify and implement the practices that will have the greatest impact on your organization At its heart the book helps leaders to see new possibilities that lie within the acknowledged realities of organizational life It provides five keys for learning to be bilingual speaking the conventional language of business as well as the language of the positive organization When leaders can do this they are able to make real and lasting change

Purpose-driven Organizations Carlos Rey, Miquel Bastons, Phil Sotok, 2019-06-17 A higher purpose is not simply about profit Symbolising the motivations of our actions and efforts it reflects something much more aspirational and contributes to our global society This open access book offers novel solutions to ensure employees support a wider organizational meaning whilst guaranteeing that the company benefits from the employee s individual sense of purpose Advocating a shift from previous models and theories this book contributes to debate and offers insight for both scholars and practitioners The chapters bring together academic rigour and practical models to help readers distinguish between the fads and influential strategies Exploring the development of purpose at each level of business from strategy and leadership to communication this book avoids theoretical jargon and provides new approaches to building sustainable purpose driven organizations This is an Open Access book sponsored by DPMC Spain UIC Barcelona and Corporate Excellence Centre for Reputation Leadership

The Technology Takers Jens P. Flanding, Genevieve M. Grabman, Sheila Q. Cox, 2018-11-30 Digital era technologies lead organizations to become technology takers the equivalent of economic price takers To be a technology taker is to assent to the behavior transforming benefits of modern technologies This playbook offers technology takers tactics to manage change create value and exploit the digital era s strategic opportunities Trust in a Complex World Charles C. Heckscher, 2015 This book explores how trust and community are affected by the rapid increase in the scope of communication Uncertainty of relations generates many destructive reactions yet it also creates the possibility of a community wider and more diverse than
