

A woman with long brown hair, wearing a yellow jacket, stands next to a dark vintage car. A man with grey hair, wearing a dark jacket, is leaning over the car, holding a large professional camera and filming the woman. The scene is set indoors, with a large window with a metal grille in the background. The lighting is warm and focused on the subjects.

**William Smith**

## Camino A Roma B De S:

**British Museum Catalogue of printed Books** ,1896      A Dictionary of Greek and Roman Geography William Smith,1872      *A Dictionary of Greek and Roman Geography* Sir William Smith,1872      *A Dictionary of Greek and Roman Geography by Various Writers* ,1873      **The Ovoid Amphorae in the Central and Western Mediterranean** Enrique García Vargas,Rui Roberto de Almeida,Horacio González Cesteros,Antonio Sáez Romero,2019-09-30 Based on the proceedings of a workshop held at Seville University in 2015 this book looks at several series of amphorae created in the Late Republican Roman period sharing a generally ovoid shape in their bodies a group of material which until now has rarely been studied      *Dictionary of Greek and Roman Geography* ,1872      **Dictionary of Greek and Roman Biography and Mythology** William Smith,1870      **Ammianus' Julian** Alan James Ross,2016 Ammianus Marcellinus *Res Gestae* holds a prominent position in modern studies of the emperor Julian as the fullest extant narrative of the reign of the last pagan emperor Ammianus Julian Narrative and Genre in the *Res Gestae* offers a major reinterpretation of the work which is one of the main narrative sources for the political history of the later Roman Empire and argues for a re examination of Ammianus agenda and methods in narrating the reign of Julian Building on recent developments in the application of literary approaches and critical theories to historical texts Ammianus presentation of Julian is evaluated by considering the *Res Gestae* within three interrelated contexts as a work of Latin historiography which consciously sets itself within a classical and classicizing generic tradition in a more immediate literary and political context as the final contribution by a member of an eyewitness generation to a quarter century of intense debate over Julian s legacy by several authors who had lived through his reign and had been in varying degrees of proximity to Julian himself and as a narrative text in which narratorial authority is closely associated with the persona of the narrator both as an external narrating agent and an occasional participant in the events he relates This is complemented by a literary survey and a re analysis of Ammianus depiction of several key moments in Julian s reign such as his appointment as Caesar the battle of Strasbourg in 357 AD his acclamation as Augustus and the disastrous invasion of Persia in 363 AD It suggests that the *Res Gestae* presents a Latin speaking western audience with an idiosyncratic and Romanized depiction of the philhellene emperor and that consciously exploiting his position as a Greek writing in Latin and as a contemporary of Julian Ammianus wished his work to be considered a culminating and definitive account of the man and his life      **Nonnus of Panopolis in Context III** ,2020-11-30 Nonnus of Panopolis 5th c AD the most important Greek poet of Late Antiquity is best known for his *Dionysiaca* a grand epic that gathers together all myths associated with Dionysus god of wine and mysteries The poet also authored the *Paraphrase of St John s Gospel* which renders the Fourth Gospel into sophisticated hexameter verse This volume edited by Filip Doroszewski and Katarzyna Ja d ewska brings together twenty six essays by eminent scholars that discuss Nonnus cultural and literary background the literary techniques and motifs used by the poet as well as the composition of the *Dionysiaca* and the exegetical principles applied in

the Paraphrase As such the book will significantly deepen our understanding of literary culture and religion in Late Antiquity
