Can Our Church Live:

Reconstructing Church Todd Grant Yonkman, 2014-08-06 The general decline of American mainline Protestant churches today is well documented Church redevelopment imagining and actualizing new life for dying churches is a productive and vital response to congregational decline but it can be daunting Here is guidebook for church leaders to help them reinvigorate their churches with both practical advice and tested theory A comprehensive case study of Beneficent Congregational Church which successfully turned the tide and quadrupled its worship attendance provides inspiration as well as concrete strategies for church redevelopment The study indicates that successful and faithful church redevelopment involves a shift from a modern patronage ministry model to a postmodern plural ministry model Building on current church redevelopment literature by bringing selected Biblical and theological texts into conversation with leadership concepts systems theory social sciences and congregational studies this book creates a multidisciplinary transformative conversation The result is both strategic proposals for growing your church and a model for doing practical theology in your own ministry context Dedicated trained leadership in cooperation with the power of the Spirit can create the possibility of new life in dying congregations

Biblical Foundations for Baptist Churches John S. Hammett, 2019-02-26 An updated examination of ecclesiology from a Baptist perspective In this useful book professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church Blending biblical teaching and practical ministry experience Hammett presents a comprehensive ecclesiology from a historic Baptist perspective examining crucial contemporary issues such as church discipline the role of elders and church ministry in a post Christian culture This second edition contains updates throughout including Substantive changes to chapters on the nature of the church Baptist church polity and deacons An expanded chapter on baptism and the Lord s Supper A thoroughly revised chapter on church models like multisite churches and missional churches A brand new chapter on meaningful church membership

Effective Small Churches in the Twenty-First Century Carl S. Dudley, 2010-09-01 Dudley s work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation In this revised edition Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades Among the most significant recent developments are shifts in institutional loyalty and individual s sense of identity in relation to larger groups and organizations Dudley explores the key components that contribute to a small congregation s sense of unity and that motivate its members to more faithfully live out their faith

Shaping the Church Martyn Percy, 2010 *Shaping the Church* seeks to dynamically alter the way that theologians ecclesiologists students of religion and ministers look at the church Taking the ideas of composition formation and vocation as basic ecclesial categories Martyn Percy explores how apparently innocent and incidental material is in fact highly significant for the shaping of theological and ecclesiological horizons The Introduction sets the tone with a meditation on how the apparently ordinary scent of a country church can be

redolent with meaning setting the tone of expectation in relation to subsequent worship This book is not however simply about reading meanings into events ideas conversations and contexts Rather it sets out to faithfully interpret much of the material that surrounds us yet is often taken for granted or more usually unnoticed The book is an invitation to involve the scholar or minister paying close and patient attention to beliefs language artefacts rituals practices and other material all of which are constitutive for ecclesial life and theological identity *The Collected Works of Witness Lee, 1988, volume 2*

Witness Lee, 2021-05-28 The Collected Works of Witness Lee 1988 volume 2 contains messages given by Brother Witness Lee from March 21 through June 6 1988 In the last week of March Brother Lee visited Spokane Washington and San Francisco California before he returned to Anaheim California In the first few days of April he visited San Jose for two days and in the second week of April he flew to Taipei Taiwan and remained there until early June The contents of this volume are divided into twelve sections as follows

- 1 Four messages given in Spokane Washington on March 21 through 23 These messages are included in this volume under the title The Practice of the New Way for the Organic Building Up of the Body of Christ
- 2 Three messages given in Spokane Washington on March 21 and 22 These messages are included in this volume under the title The Perfecting Growth and Functioning of All the Members for the Building Up of the Body of Christ
- 3 A message given in Chinese in Anaheim California on March 26 This message is included in this volume under the title The Supply of Life and the Building Up of Three Habits
- 4 A message given in Anaheim California on March 27 It is included in this volume under the title Experiencing God Christ the Word Faith and the Spirit as Revealed in Galatians
- 5 Four messages given in San Jose California on April 2 and 3 Two of the messages were given in Chinese and two were given in English These messages are included in this volume under the title Going Forth to Bear Fruit and Making the Fruit Remain
- 6 A message given in Taipei Taiwan on April 10 It is included in this volume under the title Letting the Fire of the Gospel Burn throughout the College Campuses
- 7 Four messages given in Taipei Taiwan on April 13 through June 6 These messages are included in this volume under the title The Leading of the New Testament Ministry and the Organic Work of the New Way
- 8 Four messages given in Taipei Taiwan on April 13 through May 30 They are included in this volume under the title The Proper Elders Administration of the Church and the Organic Practice of the New Way
- 9 Eleven messages given in Taipei Taiwan on April 12 through June 3 The first ten of these messages were previously published in Chinese and English in a book entitled Words of Life from the 1988 Full time Training Chapter 11 was discovered later and was added to this previously published book These eleven messages are included in this volume under the same title
- 10 A message given in Taipei Taiwan on April 16 This message is included in this volume under the title Questions Answers and Fellowship concerning the Living and Service in the New Way
- 11 Eight messages given in Taipei Taiwan on April 16 through June 5 These messages were previously published in Chinese and English in a book entitled Messages Given to the Working Saints and are included in this volume under the same title
- 12 Eighteen messages given in Taipei Taiwan during the month of April and through May 6 They were previously published in

Chinese and English in a book entitled *Crucial Words of Leading in the Lord's Recovery Book 2 Leading the Saints to Practice the New Way Ordained by the Lord* and are included in this volume under the same title **Living Water** Robert P. Vande Kappelle, 2022-10-27 Everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending Jesus was a master storyteller teaching primarily through a technique we call parables In fact over one third of the gospel material in the New Testament is parabolic in nature Examining the parables of Jesus *Living Water* views parables as a wisdom genre belonging to *mashal* the Jewish tradition of sacred poetry stories proverbs riddles and dialogues through which wisdom is conveyed In the Hebrew Bible the Old Testament *mashal* is often associated with perplexing sayings for its meaning is deliberately obscured in order to force the reader or listener to deeper thought and higher consciousness While examining the parables of Jesus *Living Water* focuses not so much on traditional explanations and interpretations but on their paradoxical and perplexing nature In addition this book encourages us to take a parabolic approach to all Scripture viewing it as an aid to help us move from egoic existence to unitive existence This Spirit led way of living thinking and being requires a transformation from our False Self to our True Self from dualist self obsession to nondualist consciousness characterized by risk taking compassion generosity availability and joy a path charted by the parables of Jesus Benefitting from recent scholarly research *Living Water* is unique in content and conception and is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection *Living Graciously on Planet Earth* Robert P. Vande Kappelle, 2016-05-18 Humans are happiest when they live virtuously Building on the premise that the purpose of life is happiness conducive to the equitable flourishing of all humanity *Living Graciously on Planet Earth* argues that the appropriate way to regard our abilities and moral opportunities is as gifts for the common good to be used for the glory of God guided by the biblical principles of stewardship and community Utilizing a biblical approach and a Trinitarian perspective while maintaining an appreciative eye to the contributions of the world's living religions Dr Vande Kappelle argues for a hierarchy of values necessary for gracious living in the twenty first century Ancient wisdom claims there are seven primary virtues four natural prudence justice fortitude and temperance and three supernatural faith hope and love As the natural virtues help us grow morally the supernatural virtues are designed for transformation Using insights from the Enneagram as well as from diverse scholars such as Karen Armstrong Marcus Borg James Fowler Matthew Fox C S Lewis Robin W Lovin and Huston Smith *Living Graciously* examines the seven virtues in biblical social and cosmic context This book's uplifting message delivers the perfect antidote to the current social malaise characterized by arrogance suspicion negligence and consumption In addition this book addresses difficult questions such as Do we live in a moral universe Is there a benevolent deity watching over us Is there a purpose to life on earth and Is there a summum bonum a greatest good The answers in this insightful presentation will challenge your thinking and energize your living Useful for individual or group use each chapter contains aids to learning including a thesis statement indicating the central idea of

the chapter b a list of key biblical passages c a chapter summary and d questions for discussion and reflection Developing Your Spiritual Understanding Pastor Ralph, 2014-02-26 Developing Your Spiritual Understanding DYSU is a confirmation lesson focusing on increasing spiritual awareness teaching youth how to make sound Christian decisions and encouraging active participation in the church school community and the world While spiritual development is personal it is fostered through educating individuals about prayer worship and service It is imperative for youth in the 21st century to become empowered with a renewed sense of confidence and self esteem This can only be accomplished when given the right tools to make spiritual life choices We welcome each youth to take this confirmation journey in developing their spiritual understanding **Understanding the Church: God's Alternative Society** Dr. Frankie O. Phillips Sr., 2013-10 This book was not written it was built I was not the architect but a laborer under the direction of the Holy Spirit whose purpose is to honor the Lord Jesus Christ It is not intended for casual reading but to inspire further study of the Word It is my hope and prayer that readers will be inspired to build upon the concept of the church as God's alternative society It is my hope that many sermons will grow out of what the Holy Spirit has given me to put in this book It is my hope that it will lead to study of the Word which reveals Jesus Christ who said I will build my church **Teenagers and Mental Health** Monica Kim, Danny Kwon, 2025-09-29 Teenagers and Mental Health imparts gospel hope and guidance for churches and youth leaders ministering to teens with mental health struggles and their families

Adopting the Track of Phrase: An Mental Symphony within **Can Our Church Live**

In some sort of consumed by monitors and the ceaseless chatter of quick transmission, the melodic beauty and emotional symphony created by the published term frequently diminish into the backdrop, eclipsed by the constant noise and disruptions that permeate our lives. But, nestled within the pages of **Can Our Church Live** a wonderful literary treasure full of organic emotions, lies an immersive symphony waiting to be embraced.
