Study guide for Test #1 – ESM 365 – Local Government Planning – Spring 2023 *Through Chapter 8- pg 249 (kindle version)*

The test will be in class, in writing, on Thursday, March 2. It accounts for 15% of your course grade. You will have the entire 80 minute class to write your responses for this test. Bring pens, pencils, erasers to write your responses. (You will NOT have access to your open books, notes, or electronic devices during the test.)

Please let Judith know as soon as possible if you will need test accommodations through the Testing Center.

There will be 2 parts to the test: A “short answer” section, accounting for 50% of the test grade, and an essay section, accounting for 50% of the test grade.

It will help to review assigned material “class notes” posted on CANVAS, and to be familiar with all terms and marginal heading material in assigned required material. Creating a personal glossary of terms for this class is a good idea. Many terms are defined in the glossary or identified in the index of your major textbook.

The test will ask many questions similar to the material below. However, it will ask other questions as well. Make sure you read the material in the actual test very carefully, since it may differ from the material below.

Terms and concepts you should be able to identify and briefly explain:

- Conventional definitions of “Planning” and “land use planning” (see text & APA material)

Planning: the process by which public agencies—mostly local governments—determine the intensity and geographical arrangements of various land uses in a community.

simply, planning is the process by which our society decides what gets built where. page 23

- Principles explained in the “professional ethics” statements of the American Institute of Certified Planners’ (AICP) excerpts in assigned reading at the beginning of ESM 365

People who participate in the planning process shall:

- “continuously pursue and faithfully serve the public interest.”
 - understand our own conscious and unconscious biases and privileges
- “do so with integrity.”
 -
- “work to achieve economic, social and racial equality.”
- “safeguard the public trust”
- “Practicing planners shall improve planning knowledge and increase public understanding of planning activities.”
