Came Back Dead Shimon Eliezer:

I Came Back from the Dead Shimon Eliezer The S.E.G.,2015-12-09 It is March 2009 as a Jewish father opens his car door in a toy store parking lot and feels cold hard metal against the back of his head After David Hirsh turns he looks his assassin in the eyes and begs for his life But before he can finish he feels a burning sensation in his chest and everything turns dark Now he helplessly watches from the after life as his family receives the horrifying news of his murder After his assassin is killed by police and buried in an unmarked grave his soul does not depart his body but instead becomes embedded in his corpse As his body liquefies into a dark puddle it flows slowly toward an inferno where all damned souls are tortured and kept for an eternity Meanwhile as David drifts between Earth and paradise he meets other transitioning souls and finds the ability to comfort his daughter When he finally begins his journey into the world of light he has no idea of the rebirth that is in store for him In this unique tale about the human experience two mens lives intertwine during a violent encounter leading each to take different journeys through the after life where separate destinies await **THE MIRACLE CHILD**

Fire in the Wind Cheryl Ann Toliver,2019-12-31 During Passover AD 33 Yeshua of Nazareth was publicly crucified and declared dead Yet Roman Tribune Valerio Tullus his Jewish wife Leah their children Simon and Anna their household of Jews and foreigners along with Roman Prefect Pontius Pilatus Herodian and Jewish leaders and all Jerusalem hear an astounding rumor Yeshua has been resurrected from the dead Valerio and his family had earlier embraced Yeshua s proclamation that all shall come to Adonai s kingdom This appears to happen when a roaring wind like fire engulfs the city and Yeshua s followers announce that Yeshua has poured out His Spirit Strangely Valerio and his family are excluded from this outpouring What then does this Spirit s coming mean Is it the coming of Adonai s kingdom as Yeshua proclaimed Or are some being rejected because they aren t Jewish Or in His divine compassion does Adonai still have a plan for them For answers Valerio and his family seek out Yeshua s followers What they learn will change their lives The Talmud: Tractate sanhedrin pt.4 Adin

Steinsaltz,1989 *Execution and Invention* Beth A. Berkowitz,2006-03-23 The death penalty in classical Judaism has been a highly politicized subject in modern scholarship Enlightenment attacks on the Talmud s legitimacy led scholars to use the Talmud s criminal law as evidence for its elevated morals But even more pressing was the need to prove Jews innocence of the charge of killing Christ The reconstruction of a just Jewish death penalty was a defense against the accusation that a corrupt Jewish court was responsible for the death of Christ In *Execution and Invention* Beth A Berkowitz tells the story of modern scholarship on the ancient rabbinic death penalty and offers a fresh perspective using the approaches of ritual

studies cultural criticism and talmudic source criticism Against the scholarly consensus Berkowitz argues that the early Rabbis used the rabbinic laws of the death penalty to establish their power in the wake of the destruction of the Temple Following recent currents in historiography Berkowitz sees the Rabbis as an embattled almost invisible sect within second century Judaism The function of their death penalty laws Berkowitz contends was to create a complex ritual of execution under rabbinic control thus bolstering rabbinic claims to authority in the context of Roman political and cultural domination Understanding rabbinic literature to be in dialogue with the Bible with the variety of ancient Jews and with Roman imperialism Berkowitz shows how the Rabbis tried to create an appealing alternative to the Roman paganized culture of Palestine s Jews In their death penalty the Rabbis substituted Rome s power with their own Early Christians on the other hand used death penalty discourse to critique judicial power But Berkowitz argues that the Christian critique of execution produced new claims to authority as much as the rabbinic embrace By comparing rabbinic conversations about the death penalty with Christian ones Berkowitz reveals death penalty discourse as a significant means of creating authority in second century western religious cultures Advancing the death penalty discourse as a discourse of power Berkowitz sheds light on the central relationship between religious and political authority and the severest form of punishment The Talmud: Tractate Sanhedrin, pt. 1-7 ,1989 **Wilderness Refuge** Cheryl Ann Toliver,2009-01-01 He faces many entanglements with Prefect Pontius Pilatus and Leah a young Jewish woman whose own struggles to survive and serve God inspire him
