Galileo and the Conflict between Religion and Science Gregory Dawes, 2016-01-22 For more than 30 years historians have rejected what they call the warfare thesis the idea that there is an inevitable conflict between religion and science insisting that scientists and believers can live

in harmony This book disagrees Taking as its starting point the most famous of all such conflicts the Galileo affair it argues that religious and scientific communities exhibit very different attitudes to knowledge Scripturally based religions not only claim a source of knowledge distinct from human reason They are also bound by tradition insist upon the certainty of their beliefs and are resistant to radical criticism in ways in which the sciences are not If traditionally minded believers perceive a clash between what their faith tells them and the findings of modern science they may well do what the Church authorities did in Galileo s time They may attempt to close down the science insisting that the authority of God s word trumps that of any merely human knowledge Those of us who value science must take care to ensure this does not happen The Sovereignty of God Martin Waldenvik,2021-12-02 In 2025 I have rewritten the chapter The Sovereignty of God and Reprobation This is a systematic discourse of the Reformed Theology It came to life when I was reading Arthur Pink s book The Sovereignty of God He opened my eyes to really see who God is Systematically we are going through what we can understand as the purpose of God via chapters Scripture The Triune God The Names of God The Attributes of God Man The Fall The Sovereignty of God with many sub chapters where we explore The Providence of God The Decree of God Election The Atonement and Justification Regeneration and Faith in Christ Sanctification and Transformation Reprobation and The Perseverance of the Saints Scripture is the foundation for everything I write **The Forsaken God** Martin Waldenvik,2022-11-10 The prophet Jeremiah lived in perilous and strange times just like we do He was elected and sanctified and appointed prophet by God unto the nations foremost to Judah but also to the neighboring nations Jeremiah lived in times of great apostasy just like we do Judah had forsaken the LORD the covenant the Law and God sent Jeremiah to tell the people that if they did not return to the LORD the covenant and the Law that God would have to forsake them and to punish them by Nebuchadnezzar the Chaldean king They would have to return to the LORD and to stop shedding innocent blood stop with their adultery stop with their idolatry For thus saith the LORD to the men of Judah and Jerusalem Break up your fallow ground and sow not among thorns Circumcise yourselves to the LORD and take away the foreskins of your heart ye men of Judah and inhabitants of Jerusalem lest my fury come forth like fire and burn that none can quench it because of the evil of your doings Jer 4 3 4 Judah did not hearken to the LORD they did not return to the LORD they did not stop shedding innocent blood they did not stop with their idolatry they did not stop with their adultery so the LORD punishes them as promised by carrying them away to Babylon for seventy years When reading the book of Jeremiah it is very clear that his message is very timeless one could believe that Jeremiah could stand here in contemporary Christianity in the end of 2022 and preach the same message it would fit right in We have forsaken the LORD and we have forsaken his Word This is our greatest sin and if we do not repent and return to the LORD and his Word the same fate will befall us At least in Sweden has contemporary Christianity shown its contempt for God s Word and a great apostasy is lingering showing its face everywhere God s Word is denied the order of creation is denied no clear teaching is at all on the horizon And they laugh to scorn any message of doom and judgment I have therefore written
