Can Man Live Without God:

Can Man Live Without God Ravi Zacharias, 2004-08-30 In this brilliant and compelling defense of the Christian faith Ravi Zacharias shows how affirming the reality of God's existence matters urgently in our everyday lives According to Zacharias how you answer the questions of God's existence will impact your relationship with others your commitment to integrity your attitude toward morality and your perception of truth A Humble Defense Mark Edward Moore, Mark Scott, 2004 **Rev.**

Gifford Michael Rodney's Lifestory Book Gifford Michael Rodney, 2015-11-20 Man was lost when God found them but God is never lost The Lord saved me when I was down and out and did not know what to do But he saved me and now I am free I had a dream that I wrote a book and I said in the dream that if I'd write a book I would like to see the green grass on it and there it was in my hands So I was moved to write this book This book is meant to help people come to Christ and be saved **Got Questions?** S. Michael Houdmann, 2014-04-24 Everyone has questions Young children ask why Teenagers ask why not Adults sometimes lament what if The God who created us and who loves us has given us the answers to life's most

pressing questions in His Word Yet many people have no idea that God has the answers and has made them available in the Bible Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship you can be sure it has been asked and answered already on www.GotQuestions.org the source for this book Sadly many individuals and ministries who offer advice are not biblically and theologically solid That's why Got Questions is crucially needed a resource that answers questions explicitly from a biblical perspective with solid evangelical theology Written in an easy to understand format and organized in easy to follow sections Got Questions will help readers find the answers to the most frequently asked questions regarding spiritual matters The questions were asked by real people struggling through real life issues who received solid practical answers from the Bible The articles in this volume are compiled from the more than 3 800 frequently asked questions on our website which are read over 7 million times each month Some of the articles have been translated into 150 languages Many books present teaching in a question and answer format but few have delved into the questions that people are actually asking Having received and answered more than 380 000 questions Got Questions Ministries has a unique understanding of what questions are truly on people's minds Don't Stop the Swagger Damon J

Smith, 2015-11-25 A SWAGGER can't be acquired by material objects It comes from a source deep within that you may have never known you possessed The swagger never lets circumstance or criticism interrupt the mission But what happens when your uncommon dream doesn't go as planned your business fails tragedy hits you make a bad decision your marriage goes down hill your athletic aspirations don't pan out or you're in a job that just doesn't do it for you You see with every little hiccup in life you lose energy excitement and drive YOU LOSE YOUR SWAGGER These are the stories rarely discussed by the mainstream sports media stories that will empower your walk through life show you what mental toughness really means and give YOU a SWAGGER Meet the Bible Philip Yancey, Brenda Quinn, 2010-05-11 The story of the Bible starts with the

simple statement In the beginning God created From that first sentence of Genesis the story of salvation unfolds in strange and wonderful mingling of the commonplace and the miraculous the human and the transcendent But if you were born after the baby boom chances are the Bible seems more like an item of passing interest than a book of depth and meaning for the twenty first century If you re not familiar with the Bible it can be difficult to put into perspective the puzzle of kings and prophets giants and seven headed dragons shepherd boys and itinerant preachers Old Testament law and New Testament grace Meet the Bible introduces you to the full epic sweep of the Bible the characters the places the times the stories and the meanings of this Book of books and shows you that even the most obscure passage can hold relevance for your life once you understand what to look for Award winning writer Philip Yancey and author Brenda Quinn are your guides on this one year reading tour of the Bible Each day s reading includes Scripture contemporary commentary and questions for contemplation all designed to offer insight into how the passage fits into the overall story of the Bible and how it can speak to your life today Meet the Bible takes you through the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Jesus Christ Here are stories to remember images of real people and circumstances closer to your own life than you ve ever imagined By the time you ve finished the year s worth of reading you ll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings If you ve never read the Bible or hardly know the Bible or would just like to read the Bible in a fresh new way Meet the Bible offers an inspiring mix of timeless wisdom and contemporary insight that will cause faith to ignite within you Direct excerpts from Scripture give readers a panoramic tour of the Bible s key passages personalities events and ideas as the Old Testament sweeps into the New Testament Culturally relevant commentary from Quinn and Yancey sheds light on each day s passage examining the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Reflections every five days provide life application for the week s Scripture readings

Crossroads of the Eternal M. Brett Callaway, 2018-11-07 Not so long ago it was taken for granted that God exists Today there is a blindness to him even though he makes his presence known to all The book begins by showing how better to recognize his presence and understand how he reveals himself to us The next three chapters discuss how we move from an awareness of his presence to beginning to know him and through a knowledge of him begin to know what his purpose is for us and how our lives are shaped by that knowledge Having seen how he reveals himself to us and how we know the world and see the world through different eyes we then look at how to apply our new view in the face of a society that remains blind to this knowledge Chapters 5-7 explore truth first from the standpoint of its existence then in how to recognize its counterfeits and finally to understand the consequences of its loss Chapters 8-10 look at how and why being able to see God s hand in all aspects of life and to center life on him by faith in his son Jesus Christ completely changes life for the better Non Christians often hear this claim made by evangelists If they ask why too

often the answer is in Christian speak that is foreign to them The intent is to bridge from the place where they are and explain how Christians have found peace in times of suffering even joy in the most horrific circumstances enabling them to give thanks in all things In a sense the book finishes where it started by looking at who we truly are what kind of world this is and how God has made all into his glorious plan

Apologetics for the Working Christian Donald L. Pickard, 2009-12-09

All believers experience the challenge of building understanding and defending the disposition of their God and their belief when the very basis of their faith is being questioned This book is for those who are not experts in the field of apologetics but have a passion to make Christ known and accepted by others in their workplace and daily life Essential subjects and Scriptures common to Christian apologetics and evangelism are examined using the great commission of Jesus as recorded in Matthew 28 16 20 as a foundation Simple understandable answers are given to critical questions that a Christian may confront such as Does God Exist Is Jesus the Christ Is the Bible True What is the importance of baptism Did the resurrection of Jesus really happen What are the essential teachings of personal evangelism What are the components of the Great Commission of Christ and how do we obey it Dr Pickard has been a Christian for over fifty years and has held executive positions in business education and government including executive level management positions in major universities a private corporation a government authority and city management He has served his community on a hospital board community service boards and regional councils He has always demonstrated award winning results in these endeavors and produced successful subordinates His teaching skills have been recognized in several fields as exemplary and highly effective The author's education includes an Associate of Science in mechanical engineering from Chattanooga State Technical Community College a Bachelor of Science in business administration and a management certification from the University of Tennessee at Chattanooga Tennessee a Master of Business Administration from the University of Richmond E Claiborne Robins School of Business in Richmond Virginia and a Doctor of Philosophy in Christian Apologetics from the Newburgh Theological Seminary Newburgh Indiana

Christianity's Dangerous Idea Jonas E. Alexis, 2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all costs In *Christianity's Dangerous Idea* Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history science experience common sense and final destiny More importantly Alexis subjects the rivals of Christianity to the same rigorous testing *Christianity's Dangerous Idea* clearly demonstrates the destructive nature of popular atheistic and anti Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman

Richard Dawkins and many more In a scholarly yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age

Wake Up! Wake Up! the Testimony of a Layman Thomas W. Balderston, 2009-10 Wake Up Wake Up The Testimony of a Layman is the account of author Thomas Balderston's struggle with faith and his attempt to alert readers to the world and the opportunities the Triune God has made possible The author's GPS containing many strategic dots that when connected opened his eyes to the truth was the Word The resurrection was the highest peak on the many mountains he crossed The Testimony of a Layman is the honest chronicle of how one man's heart and mind were opened Take a ride with the author the scenery may be enough to remind readers that even with pain there is beauty and love inside and outside their windows
