Overcoming Cancer Gary Null,2017-07-18 One word strikes more fear into a person s mind than any other cancer The physical mental emotional and financial toll that comes with a cancer diagnosis is immense and affects not only cancer patients but also families and entire communities The vast majority of individuals who lose the battle against cancer are treated with the standard orthodox therapy These people may never have questioned their oncologists believing that they were in the best possible hands with their physicians advanced education their knowledge of the latest treatments and all the tools of modern research at their disposals In Overcoming Cancer Gary Null explores the alternative treatments that most mainstream doctors will never discuss with their patients Did you know that eating melons balances your body s pH which can help slow the growth of cancer You were aware that fiber is an important part of a healthy diet but did you know that it lowers the risk of breast colorectal uterine and prostate cancers Find health and vitality with Dr Null s five most powerful tools for fighting cancer No More Cancer Gary Null,2014-07-29 One word strikes more fear into a person s mind than any other CANCER The physical mental emotional and financial toll that comes with a cancer diagnosis is immense and affects not only cancer patients but also families and entire communities This year alone approximately 600 000 Americans will lose their lives to cancer and the forecast shows no signs of improving Recent estimates tell us that 41 percent of all Americans

will be diagnosed with cancer during their lifetimes and 21 percent of the population will lose their lives to this devastating disease Cancer has evolved into a national crisis that touches each and every one of us The vast majority of individuals who lose the battle against cancer are treated with the standard orthodox therapy These people may never have questioned their oncologists believing that they were in the best possible hands with their physicians advanced education knowledge of latest treatments and all the tools of modern research at their disposal In this groundbreaking book Gary Null debunks the commonly accepted belief that drugs and chemotherapy are the only cures for cancer and explores the alternative treatments that most mainstream doctors will never discuss with their patients Dr Null asserts that there are foods and supplements that boost the body s immune system and can actually prevent and reverse cancer Did you know that eating lemons and melons can help balance your body s pH which will help prevent and treat cancer You knew that fiber is important for a healthy diet but did you know that it lowers the risk of breast colorectal uterine and prostate cancers Have you heard of maitake mushrooms which kill cancer cells by enhancing the activity of T helper cells In addition to diet Dr Null discusses important supplements and herbs and cutting edge therapies you may never have heard of With twenty five cancer fighting recipes and testimonials from individuals who have found health through Dr Null s methods this book could save your life **The 9**

Steps to Keep the Doctor Away Rashid A. Buttar,2010 The Nine Steps to Keep the Doctor Away shows you nine steps that have been clinically proven over the last ten years to be highly effective in promoting overall health They have provided the essential framework for Dr Rashid Buttar s philosophy and treatment plan as he has helped many patients considered to be treatment failures improve their conditions drastically Dr Buttar s Clinic Advanced Concepts in Medicine the Center for Advanced Medicine specializes in the treatment of cancer cardiovascular and neurodegenerative disease in patients who have failed conventional medical treatments The clinic has also attracted international patients suffering from various other chronic diseases as well as difficult to diagnose medical conditions from all over including Africa Europe Central South America Australia and Asia Cure Your Self of Cancer Carol Patterson,2010-11-12 Cure Your Self of Cancer from desperation to a healthy body mind and spirit Having cancer is depressing Information comes to you from many directions and your mind races to keep pace When you need sleep and rest the most you cannot sleep as the visions of the worst and the unknown dance around in your head Cancer does not have to be the end of your life On the other hand it is a time to reach down within your inner being and find out what it is that made you deathly ill Only you know why you got cancer You might be saying right now I don t know why What we now know is that deep inside your subconscious lies the secret to your ultimate wellness The pages of this book have been set up to show you a logical progression of how you can change your lifestyle in order to cure yourself of cancer There are sections on nutrition and how you will need to make changes in your daily diet in order to be healthy again Other sections of the book will guide you through a thought changing process to unlock the deep buried emotional reasons for your illness To attain happiness and health you must be willing to be totally honest

with yourself and get down to what it is that has made you seriously ill
