

Section I – Introduction

INVATERRA's Call Center Training Academy (CCTA) addresses the pressing need of providing employment opportunities for the call center industry. INVATERRA's CCTA offers classes on call center training programs and caters to aspiring call center agents, mainly fresh graduates and career shifters. We plan to expand our horizon by giving customized training programs and consultancy services to private companies across different industries and universities in the near future.

Our training institution will hold training for agents in order for them to be recruited. This will prove beneficial to graduates of CCTA for employment purposes, enabling them to gain priority and access in the hiring and recruitment process for contact centers during the course of their training or upon graduation.
