

JESSE STUART

Clearing in the Sky & Other Stories

With a Foreword by Ruel E. Foster

Clearing In The Sky By Jesse Stuart

J. R. LeMaster

Clearing In The Sky By Jesse Stuart:

Clearing in the Sky & Other Stories Jesse Stuart, 1984-05-03 Here are twenty one tales from Kentucky's inimitable and beloved storyteller Jesse Stuart Full of high rambunctious humor quick paced as a mountain square dance bright as a maple tree against an October hill these stories are Stuart in his best form the form that has made him one of the most widely read authors in America Read here about the man who coveted a steam shovel and stole it piece by piece or about the celebrated eating contest between Sam Whiteapple and the game rooster or about the hill farmer who wanted to clear and farm one last spot of new ground before he died Although he has a sharp eye for human foibles and infirmities Stuart never fails to write of his people with affection or to see that justice is done them Originally published in 1950 *Clearing in the Sky* was inadvertently declared out of print after three years and never reprinted Now for Jesse Stuart's many readers it is once more available with an appreciative foreword by Ruel Foster *Jesse Stuart* J.R. LeMaster, Mary Washington

Clarke, 2021-12-14 J R LeMaster and Mary Washington Clarke have here assembled a distinguished collection of essays on the works of Jesse Stuart A prolific writer Stuart is at home in many different genres his poetry his short stories his novels and his autobiographical writings are widely known and his books for children have enjoyed great popularity Despite the variety of his work and despite the diversity of the ten essayists points of view there emerges from this volume a consistent view of a man whose close contact with the land and the people of his region has produced a distinctive body of writing H Edward Richardson offers us a glimpse of Jesse Stuart at home freely and earnestly discussing his work and relating it to the scenes about him This essay forms a background for the other contributors discussions of Stuart's humor his use of folklore and his persistent agrarian point of view This the first collection of all new critical essays on Stuart's writings succeeds admirably in what criticism is supposed to do making more accessible the important work of a significant writer

Harrogate and Cumberland Gap Natalie Sweet, 2014 Nestled in the mountains where Tennessee meets Kentucky and Virginia the towns of Harrogate and Cumberland Gap showcase the nation's history and the beauty of nature Here a British investor dreamed of creating a resort town that rivaled the spas of Europe The Panic of 1893 crushed those plans but it also allowed a former Civil War general to keep his promise to Abraham Lincoln that he would do something to assist the area's mountain people As a university that became a memorial to the 16th president grew in Harrogate locomotives steamed through Cumberland Gap The 1930s and 1940s marked hard times but the pluck of the populace held firm Indeed the philanthropic effort put into the region as well as a southern movie premier and even a presidential visit demonstrated the area's potential As time marched on both Harrogate and Cumberland Gap welcomed tourists who explored the nearby Cumberland Gap National Historical Park and visited the university's Abraham Lincoln Library and Museum [Reading the Landscape of America](#) May Theilgaard Watts, 1999 In this natural history classic the author takes the reader on field trips to landscapes across America both domesticated and wild She shows how to read the stories written in the land interpreting the

clues laid down by history culture and natural forces A renowned teacher writer and conservationist in her native Midwest Watts studied with Henry Cowles the pioneering American ecologist She was the first to explain his theories of plant succession to the general public Her graceful witty essays with charming illustrations by the author are still relevant and engaging today as she invites us to see the world around us with fresh eyes **Jesse Stuart on Education** J. R.

LeMaster,1992 Could a man who never earned a master s degree tell the nation s teachers and administrators how to run their schools Jesse Stuart who had a life long love of education did just that From Stuart s autobiographical works J R LeMaster has chosen selections that demonstrate his philosophy of learning and teaching and his philosophy of life The selections establish a loose chronology of events in Stuart s lifelong education and describe his experience as preschooler student teacher and school administrator This multiple perspective LeMaster suggests is essential to understanding the pr

Books and Pamphlets, Including Serials and Contributions to Periodicals Library of Congress.
