Cleveland's Buckeye Neighborhood Images Of America

Diane Phelps Budden

Clevelands Buckeye Neighborhood Images Of America:

Cleveland's Buckeye Neighborhood John T. Sabol, 2011 Although it has been called Little Hungary or Little Budapest Cleveland's Buckeye Road neighborhood exceeds that description. A more apt moniker might be Little Danube. Like the Danube, Buckeye's history has flowed through a multicultural immigrant community and into a modern urban neighborhood striving to make its mark. Fueled by the industry of its first settlers in the 1880s, the district spread from what is now Buckeye Road and Woodland Avenue to the border of Shaker Square. Shops, restaurants, taverns, and other businesses too numerous to count flourished. The Buckeye neighborhood became a commercial center to serve immigrants and their families who worked at the factories that dotted Buckeye's west end. Community life was refueled over the years by waves of immigrants, mainly from Hungary, fleeing various tides of oppression in Europe. As the 1970s approached, Buckeye, like many Cleveland areas, became a victim of urban flight. Today, residents and businesses along with the Buckeye Area Development Corporation are working to create and sustain another resurgence in this grand neighborhood.

Dear Hubby of Mine: Home Front Wives in World War II Diane Phelps Budden, 2021-05-14 Touching letters written by a loving couple, musty letters that detail past lives, my parents' letters. A housewife and her sailor husband, with shared immigrant experiences, penned more than 500 letters during World War II, and the letters inform this book. Abridged versions of the letters weave a loving romantic story with actual events occurring on the home front and the battlefield. The letters are further brought to life through the 25 original family photographs and remembrances from the period. The 75th anniversary of the end of World War II will be celebrated in 2020. Most of the participants have passed on. While servicemen's stories have been broadly told, the tales of the resolute war wives who had a significant impact on the outcome of the war and the well-being of the country have not been widely shared. While some women joined the military and others entered the workforce for the first time, the majority stayed at home to raise children. **Dear Hubby of Mine** focuses on this latter group of women whose stories have been underrepresented and largely uncelebrated in World War II literature. In addition, my parents' immigrant backgrounds formed in the Hungarian community in Cleveland, Ohio, shed light on the experiences of other minority groups and refugees that came before and after them. While many readers may see the story as a touching romance, and it is, others may appreciate the depiction of the country in the 1940s under wartime conditions and how that influenced America's culture in the decades to come. Women charted new roles during the war that led to new freedoms in the years ahead and eventually brought about major societal changes.

The Bicentennial of the United States of America American Revolution Bicentennial Administration, 1977

Brewing in Cleveland Robert A. Musson M.D., 2005-11-30 Beginning in the mid 1800s, the beer brewing industry in Cleveland experienced its most extensive growth due to the rapidly increasing immigrant population of mostly Germans, Czechs, and Irish. The breweries enjoyed great success until the Prohibition era closed all brewing operations down for 14 dry years. In 1933, the industry started anew, and Clevelanders were able to enjoy locally made beer for 50 more

years before business conditions led to the industry's second demise. Today the industry has once again experienced a rebirth this time on a smaller scale with the emergence of a number of popular brewpubs and microbreweries. *The American Photo Engraver*, 1923 **D.G. Yuengling & Son, Inc.** Robert A. Musson M.D., 2013-09-23 Enjoy a cool book on a hot day

about America's Oldest Brewery. Yuengling D G Yuengling Son of Pottsville has been in continuous operation since 1829 and since its start Yuengling has been prudently managed by the Yuengling family. Overcoming the 14 dry years of Prohibition, Yuengling persevered due in part to the ingenuity and creativity of its owners and loyalty of its consumers, finding particular success with ice cream products that would continue until 1985. Unlike many of the regional brewers who were forced to close their doors over time, Yuengling found a niche for itself beginning in the late 1980s. With the introduction of Yuengling Lager and Black Tan, the brand became a sensation in and around Philadelphia. The popularity of their product has led to Yuengling being distributed in 14 states, making it not only the oldest but the largest American owned brewery. **Gypsy**

Violins Hungarian-Slovak Gypsies in America Steve Piskor, 2012-08-01 The book is a documented history of Hungarian Slovak Gypsies that came to America over 120 years ago. They brought to America the traditional Hungarian Gypsy music they and their ancestors played in Europe for hundreds of years. They are directly linked to Europe's finest Gypsy musicians. From the villages of Hungary, this music was brought to America to make our hearts sing. It is part of world roots music. Piskor tells us using words and striking photographs the inside story about his Gypsy family and friends and warns us of cultural treasures we may be losing. Professor Steve Balkin, Roosevelt University, I encourage you to acquire a book long overdue when concerning American Hungarian music. **Gypsy Violins** is a significant historical document for anyone who has danced or listened to a csárdás or any other Magyar folk music. Tibor Check Jr., William Penn Life Magazine. Congratulations on your new book. Incredibly valuable. Professor Ian Hancock, Ph.D. **The United States of America, Petitioner, Vs. Motion**
