Data And Goliath Epub:

Data und Goliath - Die Schlacht um die Kontrolle unserer Welt Bruce Schneier, 2015-10-12 Wenn man online ist sein Smartphone einschaltet oder mit der Kreditkarte bezahlt Auf Schritt und Tritt gewollt und ungewollt hinterlässt man automatisch seinen digitalen Fingerabdruck Das ist inzwischen zumindest bekannt nicht zuletzt durch die Enthüllungen von Edward Snowden Weniger bekannt und bewusst ist in welchem nahezu unglaublichen Umfang diese Daten und Informationen global gespeichert ausgewertet und von Regierungen und Unternehmen gesammelt oder gar bzw verkauft werden Je mehr Daten desto mehr Macht so definiert sich heute Weltherrschaft Der international bekannteste Sicherheitsexperte Bruce Schneier enthüllt das volle Ausmaß dieser Datenschiebereien Er reklamiert fehlende Kontrollmechanismen und prangert den globalen Missbrauch der Daten für Zensur und Propagandazwecke und die zunehmende Cyberkriminalität Tritt und Tor geöffnet wird Jedes Online Konto Smartphone aber auch Auto ist ein Daten Lieferant und wir die möglichen Opfer Diese Gefahr sollte man nicht auf die leichte Schulter nehmen Bruce Schneier zeigt was man dagegen tun kann und sollte und warum man sein Smartphone durchaus fürchten sollte The Discourse of Biorights José-Antonio Seoane, Oscar Vergara, 2024-09-30 This book provides answers to the questions that biomedical and biotechnological research has posed to our societies by proposing the introduction of biorights It shows how bioscience affects our individual and social lives by discussing and answering important questions such as Are we becoming more vulnerable and unable to protect ourselves How can we ensure fairness and justice with regards to the access to health care Are human dignity autonomy and equality at risk Do we need new and special rights neurorights genetic rights What is the meaning and scope of the right to life health privacy or non discrimination Biorights are the suggested solution for dealing with these challenges Healthcare professionals bio researchers policy makers scholars and citizens will in this book find a guide to knowing how bioscience affects our lives Furthermore this book provides a comprehensive method for biomedical and biotechnological decision making that comprises human or basic rights dimensions alongside technical and ethical dimensions Chapters 1 2 and 18 are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) **Trust and Transparency in an Age of Surveillance** Lora Anne Viola, Paweł Laidler, 2021-11-29 Investigating the theoretical and empirical relationships between transparency and trust in the context of surveillance this volume argues that neither transparency nor trust provides a simple and self evident path for mitigating the negative political and social consequences of state surveillance practices Dominant in both the scholarly literature and public debate is the conviction that transparency can promote better informed decisions provide greater oversight and restore trust damaged by the secrecy of surveillance The contributions to this volume challenge this conventional wisdom by considering how relations of trust and policies of transparency are modulated by underlying power asymmetries sociohistorical legacies economic structures and institutional constraints They study trust and transparency as embedded in specific sociopolitical

contexts to show how under certain conditions transparency can become a tool of social control that erodes trust while mistrust rather than trust can sometimes offer the most promising approach to safeguarding rights and freedom in an age of surveillance The first book addressing the interrelationship of trust transparency and surveillance practices this volume will be of interest to scholars and students of surveillance studies as well as appeal to an interdisciplinary audience given the contributions from political science sociology philosophy law and civil society The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Retold Story of David and Goliath Rosalind Edwards,2024-10-11 This book retells the beloved biblical story of David the young shepherd who bravely faced and defeated the fearsome Philistine giant Goliath David a boy of tremendous faith stands alone against this enormous foe believing in the power and might of his God while the entire army of Israel quivers in fear This beautiful triumphant story is written by Rosalind Edwards a lover of everything biblical and passionate about teaching children the truth of the bible and the mind blowing power and love of God It is written in rhyming verse to make the reading a fun memorable and happy event Reader and listener are both taken on a journey of biblical history and will see this story of faith and victory in a uniquely real and inspiring way Children of all ages and their adults will be challenged to put their faith anew in the King of kings and Lord of lords Luke Edwards has once again put his wonderful artistic talent into the illustrations capturing the real life story of the David vs Goliath battle in a way that will enthrall and motivate the young

Castration Desire Robinson Murphy, 2023-12-14 Theorizes an alternative form of masculinity in global literature that is less egocentric and more sustainable both in terms of gendered and environmental power dynamics Contemporary novelists and filmmakers like Kazuo Ishiguro Japanese British Emma Donoghue Irish Canadian Michael Ondaatje Sri Lankan Canadian Bong Joon ho South Korean and J M Coetzee South African Australian are emblematic of a transnational phenomenon that Robinson Murphy calls castration desire That is these artists present privileged characters who nonetheless pursue their own diminishment In promulgating through their characters a less egocentric mode of thinking and acting these artists offer a blueprint for engendering a more other oriented global relationality Murphy proposes that in addition to being an ethical prerogative castration desire s less is more model of relationality would make life livable where veritable suicide is our species otherwise potential fate Castration desire thus offers an antidote to rapacious extractivism with the ambition of instilling a sustainable model for thinking and acting on an imminently eco apocalyptic earth In providing a fresh optic through which to read a diversity of text types Castration Desire helps define where literary criticism is now and where it is headed Castration Desire additionally extends and develops a zeitgeist currently unfolding in critical theory It brings Leo Bersani s concept psychic utopia together with Judith Butler s radical egalitarianism but transports their shared critique of phallic individualization into

the environmental humanities In doing so this book builds a new framework for how gender studies intersects with environmental studies

European Partnership on the Assessment of Risks from Chemicals (PARC): Focus on New Approach Methodologies (NAMs) in Risk Assessment Terje Svingen, Tamara Vanhaecke, Louise Ramhøj, 2024-08-21 The European Partnership on the Assessment of Risks from Chemicals PARC project was launched in 2022 The overarching aim of this partnership is to enhance our knowledge about chemical substances to better safeguard human health and the environment against harmful effects The project will run for seven years under Horizon Europe PARC is subdivided into several work packages WPs WP5 is focused on hazard assessment for human and environmental health and includes more than 80 partners across Europe WP5 aims to fill data gaps for specified chemical substances of concern e.g. bisphenol alternatives and to develop or improve new approach methodologies NAMs for chemical hazard assessment This is in order to progress towards a risk assessment paradigm relying less on animal toxicity data both with respect to human health and environmental safety As the PARC initiative will evolve over time with respect to both projects and activities presenting early initiatives will foster an increased awareness of ongoing activities and potential incorporation of new activities going forward

Character and Virtue in Theological Education Marvin Oxenham, 2019-07-31 Dr Marvin Oxenham expertly uses the genre of the epistolary novel to help the reader understand the nature of character and virtue education and their relationship to theological education This book will help educators respond to the increasing demands for formational and transformational education and enact concrete virtue related practices Dr Oxenham draws on a vast array of disciplines from educational philosophy and political science to theology and andragogy in this winsome story that explores how global theological education can better contribute to the formation of virtuous students Written from the perspective of a seasoned educator from the Minority World who engages with correspondence from his friend and peer in the Majority World this is the honest story of two friends who struggle with their challenges and dreams Academics will find this book compelling reading that like good works of fiction they won't put down and like good reference works they will return to again and again This book offers a chance to rediscover an ancient tradition and explore a new frontier in theological education
