Claudia Carroll, 2019-01-15 Do YOU believe in the Laws of Attraction Light hearted funny and thoroughly entertaining Vicky Harper is still hopelessly single and having to face up to the unpalatable fact that the last time she had a relationship with that highly elusive species the decent single man was well before Phantom of the Opera hit Broadway So having discovered an ancient book which says you can have anything you want from the Universe and that all you need do is ask she decides to give it a whirl Turns out all she has to do is focus on thinking her wildest fantasies into reality Kind of like Pollyanna except with a Magic 8 Ball a mortgage and a lot of vodka So along with her two beyond fabulous best friends Vicky decides to put The Law of Attraction into action Trouble is

The Law of Attraction doesn't come with an instruction manual and Vicky soon realizes that you have to be very very careful what you wish for The Secret Circuit Bruce D. Abramson,2007-08-10 Imagine a high impact low profile nonpartisan government institution located across the street from the White House Imagine that it plays a central role in shaping our technology industries in overseeing globalization and in holding the federal government responsible for its commercial activities Imagine that only Congress and the Supreme Court can correct its mistakes Such an institution exists The United States Court of Appeals for the Federal Circuit was born in the early 1980s as part of the drive to liberalize and reinvigorate the American economy Over the past twenty five years it has earned its nickname as the patent court by revolutionizing American patent law but it also oversees international trade law and government business law Taken together its docket covers the rules guiding innovation globalization and much of government Are these rules impelling the economy forward or holding it back Are the policies we have the policies we want How are we faring as the economy transitions from the industrial age to the information age What responsibility does the Federal Circuit bear in shaping America's current economic policies in these three critical areas The Secret Circuit demystifies this Court's work and answers these questions

Handful of Dust Lindsey Smit,2014-04-14 Tara becomes impossible to live with after her mother's sudden death She and her father are at loggerheads as he finds it difficult to cope with an unruly teenager by himself When he cannot cope with her he drops Tara off at her grandmother's farm out in the middle of nowhere She knows no one here has no friends and no one to confide in Lost confused and desperate for love Tara finds comfort in a little fairy However life becomes complicated when she meets a dashing young man with a dark side The different effect these two characters have on Tara's life unravels into a mystical love triangle filled with suspense intrigue and a love she thought would last forever
