Deakins, Rebecca Bryant Lockridge, Helen M. Sterk, 2012-06-21 Family stories of the ties between mothers and daughters form the foundation of Mothers and Daughters Complicated Connections Across Cultures Nationally and internationally known feminist scholars frame analyze and explore mother daughter bonds in this collection of essays Cultures from around the world are mined for insights which reveal historical generational ethnic political religious and social class differences

This book focuses on the tenacity of the connection between mothers and daughters impediments to a strong connection and practices of good communication Mothers and Daughters will interest those studying communication women s studies psychology sociology anthropology counseling and cultural studies *Mother Daughter Wisdom* Christiane Northrup, M.D.,2006-03-28 From the best selling author of *Women s Bodies Women s Wisdom* and *The Wisdom of Menopause* With such groundbreaking bestsellers as *Women s Bodies Women s Wisdom* and *The Wisdom of Menopause* Dr Christiane Northrup is one of today s most trusted and visionary medical experts Now she presents her most profound and revolutionary approach to women s health The mother daughter relationship sets the stage for our state of health and well being for our entire lives Because our mothers are our first and most powerful female role models our most deeply ingrained beliefs about ourselves as women come from them And our behavior in relationships with food with our children with our mates and with ourselves is a reflection of those beliefs Once we understand our mother daughter bonds we can rebuild our own health whatever our age and create a lasting positive legacy for the next generation *Mother Daughter Wisdom* introduces an entirely new map of female development exploring the five facets of feminine power which range from the basics of physical self care to the discovery of passion and purpose in life This blueprint allows any woman whether or not she has children to repair the gaps in her own upbringing and create a better adult relationship with her mother If she has her own daughter it will help her be the mother she has always wanted to be Written with warmth enthusiasm and rare intelligence *Mother Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women **Like Mother, Like Daughter?** Armstrong, Jill,2019-03-06 Women are encouraged to believe that they can occupy top jobs in society by the example of other women thriving in their careers Who better to be a role model for career success than your mother Paradoxically this book shows that having a mother as a role model even for graduates of top universities does not predict daughters progressing in their own careers It finds that mothers with careers whilst highly influential in their daughters choice of career path rarely mentor their daughters as they progress This is partly explained by quiet ambition the tendency of women to be modest about their achievements Bigger issues are the twin pressures from contemporary motherhood and workplace culture that ironically lead career women s daughters to believe that being a good mother means working part time This stalls career progress Based on a large cross generational qualitative sample this book offers a timely and original perspective on the debate about gender equality in leadership positions **Daughters of the Stone** Dahlma Llanos-Figueroa,2009-09-01 Finalist for the PEN Robert Bingham Fellowship for Writers It is the mid 1800s Fela taken from Africa is working at her second sugar plantation in colonial Puerto Rico where her mistress is only too happy to benefit from her impressive embroidery skills But Fela has a secret Before she and her husband were separated and sold into slavery they performed a tribal ceremony in which they poured the essence of their unborn child into a very special stone Fela keeps the stone with her waiting for the chance to finish what she started When the plantation owner approaches her Fela sees a better

opportunity for her child and allows the man to act out his desire Such is the beginning of a line of daughters connected by their intense love for one another and the stories of a lost land Mati a powerful healer and noted craftswoman is grounded in a life that is disappearing in a quickly changing world Concha unsure of her place doesn t realize the price she will pay for rejecting her past Elena modern and educated tries to navigate between two cultures moving to the United States where she will struggle to keep her family together Carisa turns to the past for wisdom and strength when her life in New York falls apart The stone becomes meaningful to each of the women pulling them through times of crisis and ultimately connecting them to one another Dahlma Llanos Figueroa shows great skill and warmth in the telling of this heartbreaking inspirational story about mothers and daughters and the ways in which they hurt and save one another
