**Dave Barry's Complete Guide to Guys** Dave Barry, 2010-07-28 Dave Barry is one funny human San Francisco Examiner For thousands of years women have asked themselves What is the deal with guys anyway What are they thinking The answer of course is virtually nothing Deep down inside guys are extremely shallow But that has not stopped Dave Barry from writing an entire book about them If you re a guy or if you re attempting to share a remote control with one you need this book because it deals frankly and semi thoroughly with such important guy issues as Scratching The role of guys in world history including the heretofore unknown relationship between the discovery of North America and golf Why the average guy can remember who won the 1960 World Series but not necessarily the names of all his children The Noogie Gene Why guys cannot simultaneously think and look at breasts Secret guy orgasm delaying techniques including the Margaret Thatcher Method Why guys prefer to believe that there is no such thing as a prostate And much much more Whether you re a guy or attempting to share a bathroom with one Barry has some wacky words of wisdom for you USA Today

**Dave Barry's Greatest Hits** Dave Barry, 1997-04-28 When Dave Barry is on the loose no one is safe What Dave Barry did for the men s movement in his Complete Guide to Guys and for foreign relations when he did Japan he now does for everything in America The rapacious observer of Tupperware ladies and leisure concept salesmen sounds off on Football Football is more than just a game It is a potential opportunity to see a live person lying on the ground with a bone sticking out of his leg while the fans to show their appreciation perform the wave Sailing There s nothing quite like getting out on the open sea where you can forget about the hassles and worries of life on land and concentrate on the hassles and worries of life on the sea such as death by squid Gambling Off Track Betting parlors are the kinds of places where you never see signs that say Thank You for Not Smoking The best you can hope for is Thank You for Not Spitting Pieces of Your Cigar on My Neck The good news he s funny as ever The bad news the book is only 304 pages Los Angeles Daily News

guide to the new American politics and its three capitals Washington D C Austin and South Florida No surprise it s hilarious Understanding the urgent need for a deeply thoughtful balanced book to explain our national political process Dave Barry has not even come close Though he himself has covered many campaigns run for President several times and run for cover at the rainy inauguration of George W Bush the man will spare nothing for his art Barry has instead outdone himself Below the Beltway includes Barry s stirring account of how the United States was born including his version of a properly rewritten Declaration When in the course of human events it behooves us the people not to ask What can our country do for us anyway but rather whether we have anything to fear except fear itself and a revised Constitution Section II The House of Representatives shall be composed of people who own at least two dark suits and have not been indicted recently Dave also cracks the income tax code explains the growth s of government congressional hearing difficulties and the persistent rumors of the influence of capital in the Capitol Among other civic contributions his tour of Washington D C should end school class trips forever

**Dave Barry's Guide to Marriage And/or Sex** Dave Barry, 1987-10 No book can guarantee you a long and happy relationship even if the author didn t know about your secret hygiene problem But the cover of a book is no place to discuss that In Dave Barry s Guide to Marriage and or Sex one of America s most beloved writers turns his keen if somewhat rheumy eye to the institution of marriage Dating These are nonstereotypical times we live in by which I mean that it is the responsibility of the woman to think up excuses that get progressively more obvious until the man figures out that the woman would rather chew on a rat pancreas Sex I m afraid that we must talk here about sex in a very explicit manner because we want to expand the Frontiers of Human Understanding and also we want to sell as many books as possible to adolescent boys Marriage Most squabbles start with money For example you want to buy food while your spouse wants to buy a thoroughbred racehorse It s important in these situations for both of you to be willing to sit down and try to achieve a workable compromise In this case you could buy a thoroughbred racehorse and eat it
