Dave Grohl Nothing To Lose 4th Edition:

Dave Grohl: Nothing to Lose (4th Edition) Michael Heatley, 2011-09-06 Dave Grohl is no ordinary musician Having powered Nirvana to legendary status from behind his drum kit adding the necessary drive to Kurt Cobain's genre defining grunge anthems he then switched instruments to become guitarist singer songwriter and frontman of the Foo Fighters This unique and critically acclaimed quartet has enjoyed more than a decade of success and shows no sign of stalling This book traces Grohl's history from schoolboy to superstar examining his musical roots and motivation to remain at the top of his tree It also reveals how the Nirvana experience taught him to keep the press at bay offering an insight into the private man behind the all American nice guy image

Unlocking Creativity Michael A. Roberto, 2019-01-07 Tear down the obstacles to creative innovation in your organization Unlocking Creativity is an exploration of the creative process and how organizations can clear the way for innovation In many organizations creative individuals face stubborn resistance to new ideas Managers and executives oftentimes reject innovation and unconventional approaches due to misplaced allegiance to the status quo Questioning established practices or challenging prevailing sentiments is frequently met with stiff resistance In this climate of stifled creativity and inflexible adherence to conventional wisdom potentially game changing ideas are dismissed outright Senior leaders claim to value creativity yet often lack the knowledge to provide a creative framework Unlocking Creativity offers effective methods and real world examples of how the most successful organizations create cultures of innovation and experimentation Best selling author and scholar Michael Roberto presents a thorough investigation of organizational obstacles to creative thought Highly relevant to the growth crises many enterprises face in today's economic landscape this book examines how to break barriers to spark creativity and foster new ideas This insightful and informative work allows business executives senior managers and organization leaders to Recognize the six organizational mindsets that impede creativity and innovation Learn how to tear down the barriers that obstruct the creative process Create an environment that allows talented people to thrive Encourage creative collaboration in teams throughout an organization Leaders do not have to conceive innovative ideas but rather open the path for curious and creative employees within their organization Unlocking Creativity How to Solve Any Problem and Make the Best Decisions aids organizations in removing obstacles to the creative process and helps to form an atmosphere of imagination and innovation

Fever: Little Willie John Susan

Whitall, 2011-06-21 Little Willie John lived for a fleeting 30 years but his dynamic and daring sound left an indelible mark on the history of music His deep blues rollicking rock n roll and swinging ballads inspired a generation of musicians forming the basis for what we now know as soul music Born in Arkansas in 1937 William Edward John found his voice in the church halls rec centers and nightclubs of Detroit a fertile proving ground that produced the likes of Levi Stubbs and the Four Tops Stevie Wonder Aretha Franklin Diana Ross and the Supremes Smokey Robinson and Hank Ballard and the Midnighters One voice rose above the rest in those formative years of the 1950s and Little Willie John went on to have 15 hit singles in the American

rhythm blues chart with considerable cross over success in pop Some of his songs might be best known by their cover versions Fever by Peggy Lee Need Your Love So Bad by Fleetwood Mac and Leave My Kitten Alone by The Beatles but Little Willie John s original recording of these and other songs are widely considered to be definitive and it is this sound that is credited with ushering in a new age in American music as the 1950s turned into the 60s and rock n roll took its place in popular culture The soaring heights of Little Willie John s career are matched only by the tragic events of his death cutting short a life so full of promise Charged with a violent crime in the late 1960s an abbreviated trial saw Willie convicted and incarcerated in Walla Walla Washington where he died under mysterious circumstances in 1968 In this the first official biography of one of the most important figures in rhythm blues history author Susan Whitall with the help of Little Willie John s eldest son Kevin John has interviewed some of the biggest names in the music industry and delved into the personal archive of the John family to produce an unprecedented account of the man who invented soul music Little Willie John is the soul singer s soul singer Marvin Gaye My mother told me if you call yourself Little Stevie Wonder you d better be as good as Little Willie John Stevie Wonder Willie John was one of the most brilliant singers you would ever want to come across bar none There are things that were great there are things that were good Willie John was past great Sam Moore Little Willie John did not know how to sing wrong know what I mean Dion Little Willie John was a soul singer before anyone thought to call it that James Brown
