The Legacy Journey Dave Ramsey, 2014-10-01 What does the Bible really say about money About wealth How much does God expect you to give to others How does wealth affect your friendships marriage and children How much is enough There s a lot of bad information in our culture today about wealth and the wealthy Worse there s a growing backlash in America against our most successful citizens but why To many wealth is seen as the natural result of hard work and wise money management To others wealth is viewed as the ultimate inexcusable sin This has left many godly men and women confused about what to do with the resources God s put in their care They were able to build wealth using God s ways of handling money but then they are left feeling guilty about it Is this what God had in mind
