David And Goliath Malcolm Gladwell:

David and Goliath Malcolm Gladwell, 2013-10-01 Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success, motivation and the role of adversity in shaping our lives from the bestselling author of *The Bomber Mafia*. Three thousand years ago on a battlefield in ancient Palestine a shepherd boy felled a mighty warrior with nothing more than a stone and a sling and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't have won. Or should he have? In *David and Goliath* Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, to cope with a disability, to lose a parent, to attend a mediocre school, or to suffer from any number of other apparent setbacks. Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago. From there, *David and Goliath* examines Northern Ireland's Troubles, the minds of cancer researchers, and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms, all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity. In the tradition of Gladwell's previous bestsellers *The Tipping Point*, *Blink*, *Outliers*, and *What the Dog Saw*, *David and Goliath* draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us. **Summary -**

Preview: Malcolm Gladwell's *David and Goliath*: Underdogs, Misfits, and the Art of Battling Giants is a book about perceived disadvantage. People with few resources or certain disadvantages may seem weak and unlikely to win. However, in many cases, the same factors that make underdogs seem weak give them built-in advantages. Underdogs are much more likely to win than people think. In the biblical battle between David and the giant Goliath, David won because he refused to play by the rules of the powerful. He used a deadly sling rather than engaging in honorable hand-to-hand combat. The weak often feel free to adopt scrappy, unexpected tactics that the powerful disdain. As a result, powerful nations are often defeated by insurgencies. A major problem for Goliath-like forces is that oppression and the application of violence can lead to greater and more effective resistance. Government rule always depends on some level of legitimacy. PLEASE NOTE: This is a Summary, Analysis, Review of the book and NOT the original book.
