David Breuer Weil Radical Visionary:

David Breuer-Weil David Breuer-Weil, 2011 The first complete monograph devoted to the work of one of Britain's most powerful and original contemporary artists David Breuer Weil studied at the Central Saint Martins School of Art and Clare College Cambridge From the late 1980s until the late 1990s he worked as a specialist in Impressionist Modern and Contemporary art at Sotheby's London and as a curator for de Pury and Luxembourg Art in Geneva He subsequently embarked on the epic series of apocalyptic works now known as the Project over three hundred monumental paintings a cycle that is arguably one of the most profound and consistent achievements in recent British painting His determination to produce an art that deals with momentous and challenging themes is a reaction to a world he knows well in which art often seems to be reduced to a commodity In my own work I consciously avoided the high polish commercial slick look of much contemporary art I wanted to produce colossal uncommercialized images of existential doubt This lavishly illustrated monograph presents a collection of paintings drawings sculptures installations and studio shots *Breuer-Weil*, 2001
