Data Strategies to Uncover and Eliminate Hidden Inequities Ruth S. Johnson, Robin Avelar La Salle, 2010-09-01

Ruth Johnson and Robin Avelar La Salle provide a comprehensive overview of how to use data to provoke questions that lead to the kind of quality education that all students deserve. This book should be required reading in every school district. Gary Anderson, Professor, New York University, NY. Equity warriors everywhere will find this useful resource packed with effective strategies, user-friendly processes, and helpful tools. Jennifer Frentress, Director of Teaching and Learning, Forest Grove School District, OR. Uncover buried data to close the achievement gap. Standardized test scores and other outcome-based data are useful tools, but they also paint an incomplete picture that papers over the cracks in our education system. Peel away the layers, however, and you discover hidden factors that contribute to the achievement gap and chronic low school performance. Ruth S. Johnson and Robin Avelar La Salle dramatically illustrate how data from nontraditional sources: disciplinary policies, teacher attendance, special education referrals, and more, can be used to uncover and eliminate systemic inequities. This solution-focused guide helps you identify sources of data and questions to ask. Examines disparities in graduation rates, special education placement, and the achievement of English learners. Includes data exercises to help you analyze your school or district as you read. **Data Strategies to Uncover and Eliminate Hidden Inequities** arms you with the tactics you need to challenge the status quo and take decisive action.

Data Strategies to Uncover and Eliminate Hidden Inequities Ruth S. Johnson, Robin Avelar La Salle, 2010-08-04. Uncover buried data to close the achievement gap. Standardized test scores only reveal part of the story. Many hidden factors contribute to the achievement gap and chronic low school performance. The authors dramatically illustrate how to mine data from nontraditional sources: disciplinary policies, teacher attendance, special education referrals, and more, to uncover and eliminate systemic inequities. This solution-focused guide helps teachers and leaders ask the right questions, verify data that affects graduation rates, special education placement, and the achievement of English learners. Effectively analyze data to improve student achievement. Challenge the status quo and take action.

Shattering Inequities Robin Avelar La Salle, Ruth S. Johnson, 2018-12-14. For education leaders who believe that all students deserve the premium education that only some currently experience. **Shattering Inequities: Real World Wisdom for School and District Leaders** shows how your leadership can provide equitable outcomes for our most vulnerable students. Chapters include examples of actual equity leaders and leadership lessons as easily retrievable equity hooks, memory cues of complete, complex, and nuanced leadership takeaways. In the throes of educational transformation, the book's examples provide leaders with practical ways to quickly and effectively infuse substantive thoughtfulness into common equity challenges and inspire equity-driven action to ensure that demographics do not determine destiny. An excellent guide for teachers, administrators, or anyone who wants to turn good intentions into reality for the children they serve. **The Best of Corwin: Equity** Randall B. Lindsey, 2011-10-20. Equity expertise from premier educators. This resource showcases key

chapters from critically acclaimed Corwin publications written by stellar authors These renowned educators believe in making education accessible and successful for all students and ultimately creating a stronger democratic society Offering a unique perspective on overcoming barriers to student achievement they share academic research creative ideas and concrete practical strategies Key topics include The tools of cultural proficiency Courageous conversations about race How to analyze data to uncover and eliminate inequities Equity audits Powerful classroom strategies Reflecting on practice *Postcards from the Schoolhouse: Practitioner Scholars Examine Contemporary Issues in Instructional Leadership* Kimberly Kappler Hewitt, Elizabeth Hodge, Chereese Childers-McKee, Rhonda Schuhler, 2013-01-01 There is a sense of urgency that surrounds the imperative to provide all children a quality education and instructional leaders have an ethical responsibility to meet this obligation This book explores the role of leadership as it relates to the elements of curriculum and instruction and examines contemporary global national state and local challenges facing educational leaders This book focuses on the intersection of research theory and practice **THINK Together: How YOU can play a role in improving education in America**

Randy Barth, Jennifer Delson, 2015-02-10 We are having the wrong conversations about improving public education in America Some say teachers unions are the main problem and if we just get rid of them and create more choice and competition the market will take care of itself Another view is that corporate reformers are trying to privatize education and profiteer from America's second largest industry If we would just feed the system with more taxpayer money and add universal preschool the system would perform just fine Neither approach is likely to meet with broad sustained success If America is going to fulfill its economic potential and rebuild its middle class a high performing public education system is foundational If you look past the superficial debate there is more common ground and reason for hope than you might think And in places you might have overlooked Randy Barth offers a unique perspective A former stockbroker and corporate CEO he founded a nonprofit organization called THINK Together In little more than a decade it has grown into the top half of one percent of all nonprofit organizations in America A fusion of business people and educators THINK Together works in partnership with more than 450 traditional public schools serving low income kids The outsider insider perspective Randy gained along the way supported by data that shows what's working needs to be heard if we are serious about looking for systemic solutions This is a book for everybody It describes Randy and his colleagues personal and spiritual journey to the frontiers of hope If you are a citizen taxpayer parent or grandparent community volunteer mentor philanthropist school board member teacher administrator a classified school employee a policy maker or influencer or a person of faith this book is a must read as together we look for solutions that will make our schools and our country great again It all starts with you
