Daughter Of Zion The Zion Chronicles Book Two:

Ephod of God Joan Angley,2020-06-18 Teach them the difference between the holy and the profane between the clean and unclean Teach them all the word God has given Leviticus 10 10 Emeralds sapphires diamonds What do precious gems have to do with God Everything if you study the high priest breastplate and decode the message Proverbs 25 2 says It is the glory of God to conceal a thing but the glory of kings is to search a thing out There is much more buried deep in the scriptures than we know It is a deep well of treasure waiting to be mined and just as precious as sapphires and diamonds How does God see these jewels Does the Hebrew name for ruby written three thousand years ago mean flaming sword of light and does it hint at the laser hidden inside its depths Do these gems represent anything important and of great value Absolutely Is there a secret and mysterious meaning imbedded in the fact that God assigned a jewel to each tribe of Israel accompanied by two very specific blessings and a tribal banner which surprisingly has an astronomical significance Jesus said that before He comes back there will be signs in the sun moon and stars Do these constellations depicted in the tribal banners tell us something of great import for the world Are there warnings broadcast in the stars that we should be paying attention to them now Buckle up and begin one of the most fascinating journeys into the mysteries of God **Representing Zion** Frederik Poulsen,2015-05-15 The prophetic books of the Old Testament offer a fascinating collection of oracles poetic images and theological ideas Among the most prominent themes are those of judgment and salvation especially concerning the fate of Zion This place where the people of God dwell is alternately presented as either the object of divine wrath or the image of a salvific ideal Representing Zion provides a thorough and critical study of the images of Zion in the entire prophetic literature of the Old Testament The book challenges traditional interpretations of Zion and offers a fresh exploration of the literary and theological nature of the biblical writings Zion has largely been treated by scholars as an image of the inviolable city consistently and unambiguously used by Old Testament authors Representing Zion reveals the Zion motif to be contested complex and profoundly theological a reflection of the ambiguous role of YHWH as judge and saviour **A Daughter of Zion** Bodie Thoene,1998-04 Second in The Zion Chronicles this is the story of Rachel a returning Jewess whose secret past is uncovered Met with disdain and left in despair Rachel s story is full of fast paced action
