Film East: A Collection of Film Essays (Volume 1) Shelby Cooke,2023-11-01 Film East A Collection of Film Essays Volume 1 is a complete compilation of Film East s first three criticism anthologies This volume includes SCREEN DREAMS 2021 10 articles that dissect the many ways music can manifest on screen and how it impacts our viewing experience Eating the Screen 2022 12 original articles on the culture of food in film and television Queer Projections 2023 16 essays that explore the representation of queerness on screen These three anthologies showcase writing from 18 budding film critics many of whom received their first printed byline with Film East These books no longer in individual print can now only be read in this volume set David Bowie 1983-2016 Don Klees,2025-03-25 In a career full of twists and turns none was as sharp as the one David Bowie experienced after his 1983 album Let s Dance The record gave Bowie the hit that he wanted but completely altered his artistic standing in the process Instead of an innovator who pushed rock music forward the singer found himself a global superstar with a mass audience whose tastes he didn t understand and who reciprocated this feeling as the 1980s unfolded After immersing himself in the band project Tin Machine Bowie spent the 1990s embracing reinvention and

experimentation with mixed but often fascinating results leading to a full fledged renaissance early in the 21st century From there his story only got stranger 2013 s *The Next Day* was a triumphant comeback after years of self imposed silence while 2016 s *Blackstar* stood among his most challenging albums and became the final release of his lifetime One constant is that the records David Bowie released during this time were ultimately the result of his own artistic vision wherever it took him This book considers all those releases on their own merits away from the shadow of his 1970s landmarks Even if Bowie himself didn t always appreciate the results every album featured songs worthy of his reputation The author Don Klee literally watches TV for a living When not basking in television s glow he enjoys debating the merits of theatre versus film with his wife telling his kids about music from before they were born including several David Bowie concerts and writing about pop culture in general In addition to two previous books for SonicBond Don s writing has appeared in *Chromakey* *CultureSonar* and *We Are Cult* as well as various anthologies including the David Bowie themed *Me And The Starman*
