**Noah's Park Children's Church Leader's Guide, Red Edition** ,2007 The crafts in this book coordinate with each lesson in the Noah s Park Leader s Guide Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week Each craft activity in the book has a list of supplies which should be obtained prior to the session **Noah's Park Children's Church Snacks and Games, Red Edition** ,2007-02 The snacks and games ideas provided in this book are coordinated with the lessons in the Noah s Park Leader s Guide These pages are reproducible so that you can give each Park Patrol member or leader involved with snacks or games a copy for the individual lessons You will notice that for each lesson the snack suggestion and elementary game are listed on one page and that the same snack suggestion and the preschool game are listed on the back of that page

**Collecting for the Curriculum** Amy J. Catalano,2015-09-28 If you re a librarian charged with collecting curriculum materials and children s literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K 12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children s literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials
