Why Doctors Don't Make You Healthy! Gerard Kielty, 2011-06-01 Description Cure your health problems the simple drug free way Gerard Kielty I R B I D A a Harley Street specialist has written this highly informative book about his work in the field of food intolerance This fascinating book explains in a down to earth and simple to understand way just how we are all poisoning ourselves with the food we eat Heroin grows in the ground well so does a lettuce So why is this not a drug also It is a drug Everything that enters our body is a drug and will have a positive or negative effect to our brains Mr Kielty explains how more than 50 different health problems can easily be cured by avoiding the foods drugs that cause them in the first place This book identified the major culprits the everyday foods that generally cause most health problems Through extracts from numerous testimonial letters Mr Kielty highlights many different health problems and explains how and why they happen This book poses profound questions of the governing bodies within the medical profession and explains in great depth the considerable resistance that exists within the medical profession the drug companies and many government agencies throughout the world to this advanced drug free path to good health This true explosive and controversial book could change the face of medicine forever It is packed with all the information you need to become seriously healthy within weeks About the Author Born in Southern Ireland in 1947 I had a tough but exciting childhood One of 11 children brought up in Portobello Road in the centre of London by hardworking and caring parents My mum and dad were far from rich but they more than made up for that with the love they gave to each of us In those days my idea of a treat was an Orange in my Xmas stocking and once a year if I was lucky a trip to the seaside As time went on many of us children were bright enough to go to university but for us that was only a dream what little money there was went into feeding and clothing the family and trying to keep up with the many other household bills Mr Kielty is now qualified to American Food and Drug Administration FDA standards and is a leading specialist in the field of electro dermal screening His credentials have been signed by former US Secretary of State Madeleine Albright

Epigenetics Joel D. Wallach, Ma Lan, Gerhard N. Schrauzer, 2014-05 WHAT IS EPIGENETICS Epigenetics is an emerging field of science that studies alterations in gene expression caused by factors other than changes in the DNA sequence Epigenetics The Death of the Genetic Theory of Disease Transmission is the result of decades of research and its findings that could be as critical to our understanding of human health as Pasteur s research in bacteriology Dr Joel Doc Wallach has dedicated his life work to identifying connections between certain nutritional deficiencies and a range of maladies formerly thought to be hereditary including Cystic Fibrosis and Muscular Dystrophy

This nexus between nutrition and so called genetic disease has been observed in both humans and primates and it is the central theme of Epigenetics To bring us Epigenetics Wallach has teamed with noted scholars Dr Ma Lan and Dr Gerhard N Schrauzer Their collective expertise gives this book its far reaching perspective Epigenetics is of vital importance to anyone who wants real knowledge about how the human body functions and it provides a path for better health Epigenetics dispels the dogma and misinformation propagated by medical institutions and doctors resistant to change Epigenetics is the beginning of a new era of well being on this planet

The Conscious Planet Neil M. Pine, 2024-06-13 *The Conscious Planet* represents the prerequisite for the future of humanity It s a powerful polemic against all things wrong with our modern western culture This salient and cutting edge vision of reality projects way out beyond the horizon All this critically important information while formally being highly controversial and provocative subjects are now all coming to fruition with more public concern and awareness than ever The truth about Pandemics Vaccine horror The cruel and destructive nature of the livestock industry Meat recalls and Dangerous zoonotic diseases Extreme weather and Climate change Nuclear power dangers GMOs and the nefarious Bee killing and cancer causing herbicides from Monsanto Rainforest destruction Drought Famine and Endangered species including bees It s everything the government and the multinational corporations that control it don t want you to know Furthermore *The Conscious Planet* exposes a legacy of demagoguery and Corporate plutocracy used by our politicians and big industry to cover up the truth about environmental negligence by mitigating or eschewing the facts Refer to chapter 4 Peace and Prosperity Over the years the truth has become obscured by a maelstrom of this mass government and corporate subreption I also published an article in the Spring of 2010 in Vision Magazine warning people about the dangers of nuclear power Contingent upon this article just one month later I gave a 20 min speech about non sustainable practices at the University of California in Riverside and received an Eco Hero Award And only 1 year later we experienced the worst nuclear disaster in history at Fukushima Japan Refer to chapter The Insidious Nature of Nuclear Power This goes way beyond any self help book Not only does this information improve your health and psychology but it will also dramatically reduce your carbon footprint thus ameliorating all external environment factors surrounding you making the
