Comic Sagas and Tales from Iceland ,2013-03-07 Comic Sagas and Tales brings together the very finest Icelandic stories from the thirteenth to the fifteenth centuries a time of civil unrest and social upheaval With feuding families and moments of grotesque violence the sagas see such classic mythological figures as murdered fathers disguised beggars corrupt chieftains and avenging sons do battle with axes words and cunning The tales meanwhile follow heroes and comical fools through dreams voyages and religious conversions in medieval Iceland and beyond Shaped by Iceland s oral culture and their conversion to Christianity these stories are works of ironic humour and stylistic innovation *The Penguin Classics Book* Henry Eliot,2019-02-21 Shortlisted for Waterstones Book of the Year The Penguin Classics Book is a reader s companion to the largest library of classic literature in the world Spanning 4 000 years from the legends of Ancient Mesopotamia to the poetry of the First World War with Greek tragedies Icelandic sagas Japanese epics and much more in between it encompasses 500 authors and 1 200 books bringing these to life with lively descriptions literary connections and beautiful cover designs **Penguin Classics: Catalogue** ,2015-02-26 In 1946 E V Rieu s groundbreaking translation of The Odyssey established a cultural legacy that would bring the world s most compelling and influential literature to millions of readers around the globe For over sixty five years Penguin Classics have been making works that were once the sole preserve of academics accessible to everyone this catalogue offers a complete list of all titles in print across the list more than 1 200 books from Aristotle and Austen to Zola and Zamyatin The Penguin Classics though I designed them to give pleasure even more than instruction have been hailed as the greatest educative force of the twentieth century And far be it for me to quarrel with that encomium for there is no one whom they have educated more than myself E V Rieu **The Saga of Gunnlaug Serpent-tongue** ,2015-02-26 In two I ll slice the hair seat of Helga s kiss gulper In this epic tale from the Viking Age that ranges across Scandinavia and Viking Britain two poets compete for the love of Helga the Fair with fatal consequences Introducing Little Black Classics 80 books for Penguin s 80th birthday Little Black Classics celebrate the huge range and diversity of Penguin Classics with books from around the world and across many centuries They take us from a balloon ride over Victorian London to a garden of blossom in Japan from Tierra del Fuego to 16th century California and the Russian steppe Here are stories lyrical and savage poems epic and intimate essays satirical and inspirational and ideas that have shaped the lives of millions The Icelandic Sagas were oral in origin and written down in the thirteenth and fourteenth centuries Other Icelandic Sagas available in Penguin Classics include Njal s Saga Egil s Saga Sagas of Warrior Poets Gisli Sursson s Saga and the Saga of the People of Eyri The Saga of Grettir the Strong The Saga of the People of Laxardal and Bolli Bollason s Tale The Vinland Sagas and Comic Sagas from Iceland **Farewell Mr Puffin** Paul Heiney,2021-07-08 It would be hard to imagine a more thoughtful intelligent and companionable person to go to sea with than Paul Heiney Bill Bryson High comedy on the high seas Informative and warm and freezing It s quite a combination Griff Rhys Jones The puffin

is the joker amongst the seabirds of the north Atlantic but what is happening to this much loved bird is far from a laughing matter This is the conclusion of writer and broadcaster Paul Heiney who set sail from the east coast of England bound for Iceland propelled by a desire to breathe the cool clear air of the high latitudes and to follow in the wake of generations of sailors who have made this often treacherous journey since the 13th century In almost every harbour he tripped over maritime history and anecdote and came face to face with his own past as he sailed north along his childhood coastline of east Yorkshire towards the Arctic Circle But there was one major thing missing from this voyage the sight of puffins They are remarkable birds uplifting as a ray of sunshine after a storm To see them and share their waters was also part of Heiney's ambition Imagine then his disappointment when first no puffins appeared off the Farne Islands then none to be seen on puffin hotspots like Orkney When he failed to see puffins on Iceland it was the last straw and he started to become seriously concerned Heiney senses that a new chapter is about to be written and it is one in which we may have to say farewell to the puffin forever This book is rich in travel and sailing narrative natural and social history and with a strong undercurrent of good humour It provides not only an insight into the private life of the puffin but an honest portrait of human life on the ocean waves as well as a reflection on what we might lose if the puffin disappears from our icy northern waters *Ballads of the North, Medieval to Modern* Sandra Ballif Straubhaar, Richard Firth Green, 2019-04-15 This volume is intended as a belated but heartfelt thank you and Gedenkschrift to the late Larry Syndergaard 1936-2015 long time professor of English at Western Michigan University and Fellow of the Kommission für Volksdichtung International Ballad Commission Larry's contributions down the decades to ballad studies particularly Scandinavian and Anglophone included dozens of papers and articles as well as his supremely useful book *English Translations of the Scandinavian Medieval Ballads* As David Atkinson and Thomas A McKean of the Kommission have written May 2015 Larry was a sound scholar with a penetrating mind which he used to support encourage and befriend others rather than show off his own knowledge He will be remembered for his contributions to international balladry especially for providing a bridge between the English and Scandinavian language ballads Larry's particular fascination with the vernacular ballads of the northern medieval world are reflected in this collection topics here range from plot elements such as demonic whales otherworldly antagonists and mer people to thematic issues of genre religion and sexual mores As a tribute to the global influence of Larry's scholarship and the broad academic interest in medieval ballads the essays in this volume were contributed by twelve international scholars of narrative song based in Europe North America and Australia *Outrageous Fortune* William Ian Miller, 2021 In this book William Ian Miller offers his reflections on the perverse consequences of so called good things With wit and sensitivity along with a large measure of fearless self scrutiny he points to and invites us to recognize the gloomy neurotic despondent tendencies of reasonably sentient humanity **Time Out Film Guide** John Pym, 2000 From TimeOut magazine comes this ninth edition of its film guide that features stills and information on the films covered in the pages of the magazine *Penguin Classics*
