Commemoration One Play Brian Graham Moore:

Forgetful Remembrance Guy Beiner, 2018-11-09 *Forgetful Remembrance* examines the paradoxes of what actually happens when communities persistently endeavour to forget inconvenient events. The question of how a society attempts to obscure problematic historical episodes is addressed through a detailed case study grounded in the north eastern counties of the Irish province of Ulster where loyalist and unionist Protestants and in particular Presbyterians repeatedly tried to repress over two centuries discomfiting recollections of participation alongside Catholics in a republican rebellion in 1798. By exploring a rich variety of sources Beiner makes it possible to closely follow the dynamics of social forgetting. His particular focus on vernacular historiography rarely noted in official histories reveals the tensions between professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance which were masked by a local culture of reticence and silencing. Throughout *Forgetful Remembrance* comparative references demonstrate the wider relevance of the study of social forgetting in Northern Ireland to numerous other cases where troublesome memories have been concealed behind a veil of supposed oblivion.

George Best - A Celebration: Untold True Stories of Our Most Legendary Footballer Bernie Smith & Maureen Hunt, 2008-09-01 George Best was one of the greatest footballers ever to have walked the Earth an absolute legend. His ability as an all round player was and still is unsurpassed. He was highly skilful a tough tackler and great in the air. As well as being an exceptionally gifted sportsman George also had a unique gift when it came to people. His open and friendly nature meant that others were naturally drawn to him and he always had time to get to know anyone and everyone. Perhaps because of this George Best reached so many people. As well as the legions of football fans who watched awestruck as he played he also touched the hearts of everyone with whom he came in contact on a day to day basis from club managers to the groundsmen at Old Trafford. Bestie had time for them all it seems that almost everyone has a story to tell about him. Bernie Smith is an avid collector of everything to do with the late great man and Maureen Hunt worked in the newspaper industry for over twenty years. From banknotes to team photographs to signed shirts and even underwear there is not much out there relating to George that they don't know about or possess. While gathering memorabilia they discovered that almost every keepsake souvenir or trophy has a humorous heart warming or poignant story attached to it. Piecing together these gems of history they have compiled a fitting tribute to a genuine icon. Take for example the incredible journey of the pair of limited edition George Best boots that ended up on a stall at Brick Lane market in London to eventually become the treasured possession of a man who idolised him or the boy whose house backed onto the United training ground and who would jump over the fence to stand at the back of the nets to watch the Best magic and act as a ball boy when necessary or even a gold thong signed by George himself that was bought at auction and left in a drawer until now. Packed with anecdotes and rare photographs this delightful book will be a welcome addition to any Best fan's collection and is a wonderful way to
