Calvin on Scripture and Divine Sovereignty Murray John, 2019-11 The three chapters of this book have their origin in a series of lectures on certain aspects of Calvin's theology delivered by John Murray professor of Systematic Theology at Westminster Theological Seminary Philadelphia These lectures were given in the Eastern Avenue Christian Reformed Church of Grand Rapids Michigan before large audiences of ministers professors students and interested laymen The occasion was the 450th anniversary of the birth of John Calvin and the 400th anniversary of the appearance of the final edition of Calvin's immortal work *The Institutes of the Christian Religion* Calvin's Doctrine of Biblical Authority Abd-el-Masih

Istafanous, 2010-09-06 Calvin's Doctrine of Biblical Authority offers a profound new approach to a long debated topic Istafanous draws upon Calvin's twofold structure regarding salvation to illumine the Reformer's twofold knowledge of God with particular focus on biblical authority In doing so Istafanous presents Calvin's view of biblical authority framed within modern discussions of inspiration In the 1539 edition of the Institutes and in all subsequent editions John Calvin presented justification and sanctification as the twofold grace of God He repeatedly taught this concept in all of his commentaries sermons and other writings More than any other reformer Calvin used the twofold grace to express the full relationship between justification and sanctification In the definitive edition of the Institutes 1559 Calvin introduced the concept of the twofold knowledge of God This framework has been considered by many as the ordering principle of the Institutes and all of Calvin's theology Istafanous argues that the twofold Grace inspired Calvin to introduce the concept of the twofold knowledge in 1559 Thus the twofold grace of God provides the key to understanding the twofold knowledge specifically and Calvin's theology generally

Stephen Long, George Kalantzis, 2009-01-01 How is God sovereign with respect to creation Does creation affect God Does God suffer or change because of creation If so how is this related to Christology Why have these questions been so controversial in evangelical theology even costing some people their jobs This book is a collection of lectures given to the Forum for Evangelical Theology at Garrett Evangelical Theological Seminary Six theologians answer the questions above from a variety of perspectives They draw on resources including the church fathers Thomas Aquinas John Calvin J rgen Moltmann process theology and open theism In the process of answering the question does God suffer each theologian also illustrates how responding to this subject requires an examination of other crucial evangelical issues such as how we read Scripture and what it means to proclaim that God is love Although the writers answer these questions in a variety of ways the hope is that engaging in this conversation together can help evangelicals and all Christians to speak more faithfully of our sovereign God Systematic Theology, Volume 1, Fourth Edition James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind
