*British Conservatism and the Legal Regulation of Intimate Relationships* Andrew Gilbert, 2018-08-23 What does conservatism as a body of political thought say about the legal regulation of intimate relationships and to what extent has this thought influenced the Conservative Party's approach to family law With this question as its focus this book explores the relationship between family law conservatism and the

Conservative Party since the 1980s Taking a politico and socio legal perspective the discussion draws on an expansive reading of Hansard as well as recently released archival material The study first sets out the political tradition of conservatism relying largely on the work of Edmund Burke before going on to analyse the discourse around the development of four crucial statutes in the field namely the Matrimonial and Family Proceedings Act 1984 the Family Law Act 1996 the Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 This work offers the first extended synthesis of family law conservative political thought and Conservative Party politics and as such provides significant new insight into how family law is made Runner up of the 2020 PSA Conservatism Studies Book Prize

**Delivering Family Justice in the 21st Century** Mavis Maclean, John Eekelaar, Benoit Bastard, 2015-08-27 Family justice requires not only a legal framework within which personal obligations are regulated over the life course but also a justice system which can deliver legal information advice and support at times of change of status or family stress together with mechanisms for negotiation dispute management and resolution with adjudication as the last resort The past few years have seen unparalleled turbulence in the way family justice systems function These changes are associated with economic constraints in many countries including England and Wales where legal aid for private family matters has largely disappeared But there is also a change in ideology in a number of jurisdictions including Canada towards what is sometimes called neo liberalism whereby the state seeks to reduce its area of activity while at the same time maintaining strong views on family values Legal services may become fragmented and marketised and the role of law and lawyers reduced while self help web based services expand The contributors to this volume share their anxieties about the impact on the ability of individuals to achieve fair and informed resolution in family matters

**Children and the European Union** Helen Stalford, 2012-08-14 This book examines in detail the status of children in the EU Drawing on a range of disciplinary perspectives including the sociology of childhood and human rights discourse it offers a critical analysis of the legal and policy framework underpinning EU children s rights across a range of areas including family law education immigration and child protection Traditionally children s rights at this level have been articulated primarily in the context of the free movement of persons provisions inevitably restricting entitlement to migrant children of EU nationality In the past decade however innovative interpretations of EU law by the Court of Justice coupled with important constitutional developments have prompted the development of a much more robust children s rights agenda This culminated in the incorporation of a more explicit reference to children s rights in the Lisbon Treaty followed by the Commission s launch in February 2011 of a dedicated EU Agenda to promote and safeguard the rights of the child The analysis presented in this book therefore comes at a pivotal point in the history of EU children s rights providing a detailed and critical overview of a range of substantive areas and making an important contribution to international children s rights studies
