Hazen, Christopher J. McDougale, 2018-12-28 This book provides an understanding of the challenges that individuals with Autism Spectrum Disorder ASD face in receiving medical care and helps equip medical professionals to overcome these challenges to provide high quality compassionate medical care to this population The book is divided into two sections The first provides a broad perspective providing background about the health care needs of patients with ASD and potential barriers to care that they may experience as well as an overview of general principles in the delivery of care for patients with ASD In the second section the text focuses on specific medical issues and specialties taking a systems based approach to cover every major area of medical care Each of these chapters discusses the problems in that area of medicine that are commonly encountered in the ASD population and the best approaches to managing these issues The Massachusetts General Hospital Guide to Medical Care in Patients with Autism Spectrum Disorder is the ultimate resource for all physicians allied health care professionals medical students residents primary care providers and specialists who treat patients with ASD **State of the World's Minorities and Indigenous Peoples 2009** Preti Taneja, 2009-07-16 Education is the most powerful weapon which you can use to change the world Nelson Mandela Education for all is a goal that has been reaffirmed by states the world over many times in the last decade It is meant to be achieved by 2015 But as this book clearly shows a quality education is not reaching the world's most vulnerable communities minorities and indigenous peoples In Central Africa the great majority of indigenous Batwa and Baka have not had access even to primary education In South Asia Dalit girls are prevented from pursuing their education not just because of poverty but through

discrimination and sexual violence In many countries in Europe Roma children continue to be placed in segregated classes or in special schools for those with learning disabilities just because of their ethnicity In Latin America millions of indigenous and African descendant children instead of being in school work in fields and plantations in the mines or at home In a unique collaboration with UNICEF Minority Rights Group International reports on what minority and indigenous children around the world face in their struggle to learn State of the World s Minorities and Indigenous Peoples 2009 profiles the programmes that are being developed to help them from better bilingual education to meeting the needs of nomadic populations giving examples of what works and why It describes efforts to overcome exclusion so that education is available accessible acceptable and adaptable for minorities and indigenous peoples and shows how far there is still to go It includes An analysis of available statistics that show that minorities and indigenous peoples are the most likely to suffer discrimination and exclusion in education worldwide First hand accounts of the difficulties and challenges facing minority and indigenous children in every major world region Coverage of the key issues for promoting the right to education including overcoming the double discrimination faced by minority and indigenous girls the need to collect data by ethnicity and the importance of bilingual or plurilingual education A unique statistical analysis and ranking of Peoples under Threat 2009 State of the World s Minorities and Indigenous Peoples is an invaluable reference for policy makers academics journalists and everyone who is interested in the conditions facing minorities and indigenous peoples around the world *Summary of Investigations*

Mitasari, Penerbit Pustaka Rumah C1nta, Ministry of National Development Planning of the Republic of Indonesia PPN and the Central Statistics Agency BPS estimates that Indonesia will experience a demographic bonus in 2045 This can bring Indonesia to its heyday if the demographic bonus can be used properly Human development and mastery of science and technology sustainable economic development equitable development and strengthening national resilience and governance are the four pillars in welcoming that era The first pillar human development and mastery of science and technology can be achieved by realizing quality education Unfortunately many factors cause the low quality of higher education in Indonesia The skill gap or skill gap is one of the causes of the non absorption of college graduates into work As a result many graduates are unemployed It was recorded that in 2021 the number of unemployed in Indonesia was more than 8 million undergraduates an increase of 26.3% compared to 2020 In addition to skill gaps low communication and problem solving abilities lack of science and technology digital literacy skills and teamwork abilities are also recorded as obstacles However to start that development college students must improve their thought They have to know the problem's surroundings and solve it through research And this book is a compilation of their study through research

Forbidden Friends Anne-Marie Conway, 2013-05-01 When Lizzie and Bee meet on holiday it feels as if they were always meant to be friends Escaping their parents and exploring everything seems perfect in the hot summer sun As the two girls grow closer strange questions rise to the surface Is Lizzie an only child Why has Bee's dad disappeared And why as the holiday comes to an end are the two girls forbidden from seeing each other again Could one dark secret from the past hold the answer Could one fateful night keep Lizzie and Bee apart for ever From the author of *Butterfly Summer* comes the unforgettable story of a new friendship a terrible tragedy and long buried lie

A Surgeon in the Village Tony Bartelme, 2017-03-28 A lyrical inspirational story of doctors who changed the health care of an African nation Tom Brokaw author of *The Greatest Generation* Dr Dilan Ellegala arrives in Tanzania shocked to find the entire country has just three brain surgeons for its population of forty two million Haydom Lutheran Hospital lacks even the most basic surgical tools not even a saw to open a patient's skull Here people with head injuries or brain tumors heal on their own or die When confronted with a villager suffering from a severe head trauma Dilan buys a tree saw from a farmer sterilizes it and then uses it to save the man's life Yet Dilan realizes that there are far too many neurosurgery patients for one person to save and of course he will soon be leaving Tanzania He needs to teach someone his skills He identifies a potential student in Emmanuel Mayegga a stubborn assistant medical officer who grew up in a mud hut Though Mayegga has no medical degree Dilan sees that Mayegga has the dexterity intelligence and determination to do brain surgery Over six months he teaches Mayegga how to remove tumors and treat hydrocephalus And then perhaps more important Dilan teaches Mayegga how to pass on his newfound skills Mayegga teaches a second Tanzanian who teaches a third It's a case of teach a man to fish meets brain surgery As he guides these Tanzanians to do things they never thought possible Dilan challenges the Western medical establishment to do more than send vacationing

doctors on short term medical missions He discovers solutions that could transform health care for two billion people across the world A Surgeon in the Village is the incredible and riveting account of one man s push to train forward to change our approach to aid and medical training before more lives are needlessly lost His story is a testament to the transformational power of teaching and the ever present potential for change As many as seventeen million people die every year because of a shortage of surgeons more than die from AIDS malaria and tuberculosis combined Dilan Ellegala and other visionaries are boldly proposing ways of saving lives
