

DIFFERENTIAL EQUATIONS

The book cover features a vibrant image of a satellite in space. The satellite is a complex structure with a large, circular dish antenna at the top, various instruments, and solar panels. It is set against a deep purple and blue background that suggests the vastness of space. A bright, glowing light source, possibly the sun, is visible on the left, creating a lens flare effect that streaks across the cover. The overall aesthetic is scientific and technological.
