Case Study Solutions Human Resource Development:

Case Study Solutions - Human Resource Development Gr. Capt. H Kaushal, 2010-02 The book provides conceptual inputs and offers several case studies covering the entire gamut of the study of Human Resource Development HRD catering to the requirement of managers and students of business schools A serious attempt has been made to cov **Case Studies and Activities in Adult Education and Human Resource Development** Steven W. Schmidt, Kathleen P. King, 2010-09-01 Case studies have become a widely used instructional tool in many educational environments The use of case studies began in the 1950s at Harvard Business School Today they may be used as part of a course of study or as the main focus of a course to which other material is added While the use of case studies is prevalent in schools of business and medicine they are not often used in adult education or human resource development This may be because there are no current major publications that deal with the use of case studies in these disciplines nor are there any major databases of adult education or human resource development case studies for instructors to use Good case studies can bring reality into the classroom They can provide frameworks for discussion based on issues that must be faced in real life Complex case issues can be broken down and examined for greater understanding then pulled together again for resolution Case studies can be used successfully in adult education I propose a book based on the use of case based learning in adult education and human resource development HRD The book could be positioned as a supplement to course textbooks for courses in adult education and HRD I would write the cases and develop the exercises but could also get others to contribute a case study or exercise to the book Cases would each be a half page to maybe 2 3 pages at the long end and would include questions for students readers Supplementary information possibly in the form of a DVD could be put together for instructors This information would include case study focal points and examples of possible responses for each study exercise **Human Resource Development** R. Krishnaveni, 2008-05-31 Human Resource Development HRD is fundamental in generating and implementing the tools needed to manage and operate the organization right from the production management marketing and sales to research and development in order to be more productive This can be done by making people sufficiently motivated trained informed managed utilized and empowered Thus HRD forms a major part of human resource management activities in the organizations This book has been carefully developed keeping in mind the requirements of all the varied segments that could use this book extensively and specifically for the students who have chosen HR elective and scholars pursuing research in the broad field of HR The book is divided into nineteen chapters and each chapter is backed by illustrations exercises and case studies appropriately The first two chapters start with the introduction to the field The third and fourth chapters give an introduction to how HRD plays a role in learning the behavior of employees Rest of the chapters five to eighteen deal with various functions of HRD Finally the last chapter brings out a detail methodology of how to develop a validated instrument which could be used for survey research in the HR field The book has been written in very simple and

easily understandable manner with relevant quoted references from earlier researches in this field This will definitely help the readers to refer the source material if detail reading is required
