Cases In Strategic Management Cases In Strategic Management Addison Wesley 6th Ed:

Cases on Strategic Information Systems Khosrow-Pour, D.B.A., Mehdi, 2006-04-30 This book provides practitioners educators and students with examples of the successes and failures in the implementation of strategic information systems in organizations Provided by publisher

STRATEGIC FINANCIAL MANAGEMENT, SECOND EDITION SOFAT, RAJNI, HIRO, PREETI, 2015-10-28 The Second Edition of the book encompasses two new chapters Strategic Cost Management and Business Ethics A Strategic Financial Management Instrument The book being an augmented version of the previous edition equips the young managers with the fundamentals and basics of strategic management and financial management in a cogent manner The text now provides a better orientation to the students on the topics like corporate restructuring divestitures acquisitions and mergers in the global context with the help of examples and caselets The book has been revised keeping in view the requirements of postgraduate students of management and the students pursuing professional courses such as CA MFC and CS In addition professionals working in the corporate sector may also find the book beneficial to integrate the financial management functions into business strategy and financial operations Distinctive features Model question papers have been appended at the end of the book Better justification of topics by merging the contents wherever required Theory supported with caselets inspired from global as well as Indian context

STRATEGIC MANAGEMENT MILIND T. PHADTARE, 2010-10-04 Primarily intended for the postgraduate students of commerce and management this compact text covers all the topics prescribed in almost all universities and autonomous institutes in India Each concept is explained with the help of many real life examples from the Indian context Considering the fact that the understanding of the concept of strategic intent is prerequisite to the understanding of strategic management the chapter on strategic intent is included which brings out the differences between various elements of strategic intent It also covers the current happenings in the businesses from the Indian context Similarly a topic on strategic choice has been discussed at length because of the fact that BCG growth share matrix and GE nine cell matrix are extremely useful in making a strategic decision in real life Besides the book contains ten case studies on various topics of strategic management such as environmental appraisal critical success factors SWOT analysis strategic intent strategic choice business level strategy formulation and choice of growth strategy All these cases are provided with authentic industry specific data Firms are chosen from different businesses thereby giving business specific flavour and a broad understanding of various business domains

Strategic Planning Stanley Charles Abraham, 2012-01-11 This book is exceptional treatise on strategic planning for single business companies that is at once academically rigorous and uncommonly practical

The Fundamental Elements of Strategy Xiu-bao Yu, 2021-03-29 This open access book clarifies confusions of strategy that have existed for nearly 40 years through the core thoughts of three fundamental elements Unlike the traditional definition of strategy as a plan to achieve a long term goal from overall considerations in a linear view this book defines strategy from non linear viewpoint as it is in the

real world The art of a strategy lies not only in the determination of development goals but also in the identification of development problems and putting forward overall guiding ideology of solving problems Rich illustrations as well as numerous business and military cases are presented in helping readers to understand the fundamental elements of strategy The general scope of the book includes introductions to the three fundamental elements of strategy three sub decisions of a complete strategic decision incomplete strategies relationship between tactic and strategy three elements of competitive and corporative strategies There may be biases in company level real strategic decision making which makes a complete strategy not necessarily a perfect one The book introduces biases and reasons for the biases helping industrial strategic decision makers understand the importance of knowing the nature of the company the industry and its environment In addition this book also presents principles and evaluation approaches of strategic decisions explores the reasons for the excessive definitions of the strategy concept and discusses directions of future s research tasks The book will benefit business managers who are interested in knowing what a complete strategic decision is and how to avoid errors or biases in strategic decision making It also benefits students in business schools especially in MBA EMBA programs who are or will be on executive positions Academic researchers may find it is interesting to understand strategy from the view of the three elements The new view provides a novel insight into strategy and promotes several research directions in the future The three elements of strategy are also applicable to military strategies and readers who are interested in military and may find its value as well

The Strategic Planning Process Marios Katsioloudes, Arpi Abouhanian, 2016-12-14 Strategic management is a field that has diversity in approach and scope but relative homogeneity in pedagogy This book a refreshed edition of its successful predecessor brings something different to the field by concisely introducing it with a focus on doing business in the Middle East and North Africa Supplemented by online case studies and other resources the reader is exposed to a plethora of concepts theories practical implications and experiential exercises in the strategic management process The updated text explores key regional issues including the Arab Spring economic recession corporate social responsibility the role of women in business and the rise of emerging economies The reader is encouraged to look at the world in light of the challenges many organizations are facing around the globe Features like Stop and Think Critically and Focus points throughout each chapter encourage and inspire a thoughtful reading of the text This is a book designed to aid undergraduate and graduate students as well as managers in both for profit and non profit sectors The authors guides the reader through both new and ongoing issues in the field of strategic management and allow them to foster a greater understanding of this ever developing field

Knowledge Management Irma Becerra-Fernandez, D. E Leidner, Dorothy Leidner, 2014-12-18 This book serves as a complete introduction to the subject of Knowledge Management KM and incorporates technical as well as social aspects concepts as well as practical examples and traditional KM approaches as well as emerging topics Knowledge Management Systems and Processes enhances the conventional exposition of KM with an in depth discussion of the
