Cases and Materials on Trade Secret Law Elizabeth A. Rowe, Sharon K. Sandeen, 2012-01-01 **Cases and Materials on Patent Law** William H. Francis, James D. Stevens, Matthew J. Schmidt, Richard W. Hoffmann, 2017 Hardbound New hardbound print book *Cases and Materials on Trade Secret Law* Elizabeth A. Rowe, Sharon K. Sandeen, 2017 This is the second edition of the first casebook in the United States devoted exclusively to trade secret law As with the successful first edition it is challenging yet user friendly to students in order to facilitate their reading and understanding of the material It is designed to be used by law students and business students with no prior background in intellectual property law Due to the breadth of the subject matter professors who teach trade secret law need not be intellectual property experts but can specialize in a variety of fields including employment law torts and unfair competition The casebook also provides the context to re teach and reinforce many of the basic concepts of law that students learned as 1L s including tort law contract law property law civil procedure constitutional law and criminal law This new edition includes timely additions relating to the Defend Trade Secrets Act of 2016 DTSA and the EU Trade Secret Directive two laws that went into effect in mid 2016 and which are certain to change the landscape of trade secret law in the United States and Europe Unlike the only other existing casebook on the topic this book continues to focus on and teach the predominant source of trade secret law in the U S the Uniform Trade Secrets Act UTSA as interpreted by courts throughout the U S Publisher website *Intellectual Property* MARY. MYERS LAFRANCE (GARY. LOCKRIDGE, LEE ANN WHEELIS.), MARY. WHEELIS. LAFRANCE, Gary Myers, Lee Ann Lockridge, 2023-01-13 This revised and thoroughly updated Sixth Edition covers significant legislative and judicial developments through August 2022 The authors include new material without overburdening the student or instructor with longer readings by streamlining certain case excerpts being more selective in some instances and making judicious use of notes in other areas Organization follows the earlier pattern of introduction trademark right of publicity trade secret idea protection patent copyright law and preemption A combination of central coverage optional extensions and cross references to related material and concepts throughout the book provides instructors the flexibility to use the book in connection with a variety of courses *Intellectual Property* Mary LaFrance, Gary Myers, Lee Ann Lockridge, 2023-01-18 This revised and thoroughly updated Sixth Edition covers significant legislative and judicial developments through August 2022 The authors include new material without overburdening the student or instructor with longer readings by streamlining certain case excerpts being more selective in some instances and making judicious use of notes in other areas Organization follows the earlier pattern of introduction trademark right of publicity trade secret idea protection patent copyright law and preemption A combination of central coverage optional extensions and cross references to related material and concepts throughout the book provides instructors the flexibility to use the book in connection with a variety of courses **Trade Secret Law in a Nutshell** Sharon K. Sandeen, Elizabeth A. Rowe, 2025 Trade Secret Law is the first and only book in the Nutshell series to

cover trade secret law in depth It was written as a companion to Cases and Materials on Trade Secret Law by Rowe and Sandeen the first casebook on trade secret law but adds more practical advice Thus it is a useful resource for attorneys and law students alike It could be a supplement to a course on trade secret law or an IP survey course that covers trade secret law as most now do Like the casebook it focuses on the predominate state law governing trade secrets in the U S The Uniform Trade Secrets Act now applicable in 49 of 50 states as well as the federal Defend Trade Secrets Act of 2016 DTSA This Nutshell addresses both international and criminal enforcement of trade secret rights The Third Edition has been expanded and includes significant legal legislative and administrative developments as well as recent cases applying and interpreting the DTSA Trade Secret Law Sharon K. Sandeen,Elizabeth A. Rowe,2018 Softbound New softbound print book Cases and Materials on Patent Law William H. Francis,Robert C. Collins,1995 **Patent Law in India** M. B. Rao,Manjula Guru,2010-09-24 This masterful analysis of patent law in India by two of India s most distinguished jurists investigates thoroughly the scope of the possible answers to these crucial questions Recognizing the character of the revolution taking place in patent law globally under the regime of multinational corporations and India s central role in its development Dr Rao and Dr Manjula Guru s analysis focuses on the patenting of substances arising out of advances in biotechnology genetically engineered products and computer related devices But they do not neglect the practical details of application registration and proceedings as constituted under the amended law in fact this book is the most detailed and insightful procedural and practice guide to the subject we have Topics and areas of practice covered include the following patent for new use of a known product prescribed form of application entry in the Register powers of the Controller of Patents opposition and revocation proceedings addition and restoration of lapsed patents defences and reliefs in infringement proceedings compulsory licensing experimental use international arrangements for grants of patents simultaneously by several countries anti competitive practices and exclusive marketing rights **Cases and Materials on Patent Law** Robert A.
