needed health insurance fast Which is how he found himself a rural letter carrier in Appalachia back in his old hometown Suddenly he was the guy with the goods delivering dog food and respirators and lube and heirloom tomato seeds and Lord of the Rings replica swords He transported chicken feed to grandmothers living alone in the mountains and forded a creek with a refrigerator on his back But while he carried the mail he also carried a whole lot more than just the mail including a family legacy of rage and the anxiety of having lost his identity along with his corporate job And yet slowly surrounded by a ragtag but devoted band of letter carriers working this different kind of job Grant found himself becoming a different kind of person He became a lifeline for lonely people providing fleeting moments of human contact and the assurance that our government still cares He embraced the thrill of tackling new challenges the pride of contributing to something greater than himself the joy of camaraderie and the purpose found in working hard for his family and doing a small good thing for his community He even kindled a newfound faith A brash and loving portrait of an all American institution Mailman offers a deeply felt portrait of both rural America and the dedicated and eccentric letter carriers who keep our lives running smoothly day to day One hell of a raconteur Steve Grant has written an irreverent heartfelt and often hilarious tribute to the simple heroism of daily service the dignity and struggle of blue collar work the challenge and pleasure of coming home again after twenty five years away and the delight of going the extra mile for your neighbors every day
