Castle Films A Hobbyists Guide:

Castle Films Scott MacGillivray, 2004 Do you remember the first movie you ever owned It was probably a product of Castle Films Before home video Castle Films made every living room a screening room For four decades the 16mm and 8mm film products of Castle Films were sold in every department store and hobby shop Castle had big screen movies for everybody comedies with Abbott Costello The Marx Brothers and W C Fields monster movies with Frankenstein Dracula and the Wolfman cartoons with Woody Woodpecker Chilly Willy and Mighty Mouse westerns with Clint Eastwood John Wayne and James Stewart travelogues of the world s picturesque places newsreels of major headline stories musicals with top singers and bandleaders Collectors have always wanted a reference book detailing the total output of Castle Films Here it is Castle Films A Hobbyist s Guide is a complete filmography of every title printed between 1937 and 1977 For handy reference there are separate indexes by title subject and serial number a listing of Castle s color film releases and a special section decoding Castle s various pseudonym titles and disclosing the true identities of many films Castle Films A Hobbyist s Guide is a fascinating nostalgic look at one of the pioneers of home entertainment [Chicago TV Horror Movie Shows](#) Ted

Okuda, Mark Yurkiw, 2016-02-09 By the last 1950s studios saw television as a convenient dumping ground for thousands of films that had been gathering dust in their vaults Distributors grouped them by genre and Chicago s tradition of TV horror movie shows was born From giant grasshoppers to Dracula epics Okuda and Yurkiw take a comprehensive look at these programs with career profiles of the horror hosts a look at the politics behind the shows and broadcast histories as well as guides to many of the films themselves [The W.C. Fields Films](#) James L. Neibaur, 2017-04-10 W C Fields was at the top among comedians during Hollywood s Golden Era of the 1930s and 1940s and has since remained a comic icon Despite his character s misanthropic child hating alcoholic tendencies his performances were enduringly popular and Fields became personally defined by them This critical study of his work provides commentary and background on each of his films from the early silents through the cameos near the end of his life with fresh appraisals of his well known classics Pictures once believed to be lost that have been discovered and restored are discussed and new information is given on some that remain lost **Soundies Jukebox Films and the Shift to Small-Screen Culture** Andrea J. Kelley, 2018-06-28 Soundies Jukebox

Films and the Shift to Small Screen Culture is the first and only book to position what are called Soundies within the broader cultural and technological milieu of the 1940s From 1940 to 1946 these musical films circulated in everyday venues including bars bowling alleys train stations hospitals and even military bases Viewers would pay a dime to watch them playing on the small screens of the Panoram jukebox This book expands U S film history beyond both Hollywood and institutional film practices Examining the dynamics between Soundies short musical films the Panoram s film jukebox technology their screening spaces and their popular discourse Andrea J Kelley provides an integrative approach to historic media exhibition She situates the material conditions of Soundies screening sites alongside formal considerations of the films and their unique

politics of representation to illuminate a formative moment in the history of the small screen

Doing Digital Film

History Sarah-Mai Dang, Tim van der Heijden, Christian Gosvig Olesen, 2024-12-30 How has the digital turn shaped the practices of film historical research and teaching While computational approaches have been used by film historians since the 1960s and 1970s the arrival and use of digital tools and methods in recent decades has fundamentally changed the ways we search analyze interpret present and so think and write about film history from digital archival and curatorial practices data driven search and analysis of film historical collections to the visualization and dissemination of film historical materials online While film historians have increasingly embraced the new possibilities brought by digital technologies their practical epistemological and methodological implications need further exploration What opportunities does the digitization of film historical sources provide for film historians What new questions can be raised by using digital methods What new perspectives emerge from analyzing interpreting and visualizing film historical data at the levels of both close and distant or scalable reading and viewing By focusing on the concepts tools and practices of digital film historiography this edited volume aims to contribute to a better understanding and critical reflection on the changes and continuities of doing film history in the digital age

The Happiest Trails

John Brooker, 2017-02-09 John Brooker writes in his Introduction B westerns have always been part of my life I decided to tour the US by Greyhound bus and try and track down some of my childhood heroes From that and subsequent trips Brooker began to write books magazine columns and even a TV series Movie Memories This book contains his interviews with the actors and other research on the B westerns Fully illustrated

Rediscovering U.S.

Newsfilm Mark Garrett Cooper, Sara Beth Levavy, Ross Melnick, Mark Williams, 2018-06-14 The twentieth century generated tens of thousands of hours of American newsfilm but not the scholarly apparatus necessary to analyze and contextualize them Assembling new approaches to the study of U S newsfilm in cinema and television this book makes a long overdue critical intervention in the field of film and media studies by addressing the format s inherent intermediality its mediation of events for local national and transnational communities its distinctive archival legacies and consequently its integral place in film and television studies more broadly This collection brings fresh contemporary methodologies and analysis to bear on a vast amount of material that has languished in relative obscurity for far too long

The Soundies

Mark Cantor, 2023-04-19 The 1940s saw a brief audacious experiment in mass entertainment a jukebox with a screen Patrons could insert a dime then listen to and watch such popular entertainers as Nat King Cole Gene Krupa Cab Calloway or Les Paul A number of companies offered these tuneful delights but the most successful was the Mills Novelty Company and its three minute musical shorts called Soundies This book is a complete filmography of 1 880 Soundies the musicians heard and seen on screen recording and filming dates arrangers soloists dancers entertainment trade reviews and more Additional filmographies cover more than 80 subjects produced by other companies There are 125 photos taken on film sets along with advertising images and production documents More than 75 interviews narrate the firsthand experiences and recollections of Soundies directors and

participants Forty years before MTV the Soundies were there for those who loved the popular music of the 1940s This was truly music for the eyes Format Matters Marek Jancovic,Axel Volmar,Alexandra Schneider,2020-02-19 From TIFF files to TED talks from book sizes to blues stations the term format circulates in a staggering array of contexts and applies to entirely dissimilar objects and practices How can such a pliable notion meaningfully function as an instrument of classification in so many industries and scientific communities Comprising a wide range of case studies on the standards practices and politics of formats from scholars of photography film radio television and the Internet Format Matters charts the many ways in which formats shape and are shaped by past and present media cultures This volume represents the first sustained collaborative effort to advance the emerging field of format studies **When the Cock Crows** Richard Lewis Ward,2016-06-02 Influential during Hollywood s silent film era the Path Exchange was a multinational film company with a production and distribution model very different from the self contained units of most major studios When the Cock Crows A History of the Path Exchange by Richard Lewis Ward tells the unconventional story of this unique company examining its triumphs and failures on the margins of the Hollywood system and its legacy in the movie business Ward traces the company s turbulent evolution from its roots as an American distributor for Path Fr res its French parent studio through its many subsequent changes in ownership to its final years under the controversial leadership of Joseph P Kennedy and the eventual merger of the company s production department with RKO Included are the stories of the unlikely survival of Path s nonproduction assets such as Path Industries Inc Path America Distributing Co Inc and Path Communications Corporation which continued to operate as part of the industry long after the Exchange had ceased to exist Ward also provides a fascinating glimpse into the silent movie era and the business and creative decisions that led the Exchange to fail Film historians have largely ignored the Path Exchange despite its having produced some of the most famous early serials including the series that began with The Perils of Pauline and distributed the first films of comedy legends Harold Lloyd Harry Langdon Laurel and Hardy and Our Gang When the Cock Crows reveals the promise and peril of early Hollywood and establishes the company s vital place in film history creating a more vivid picture of this era

Castle Films A Hobbyists Guide Introduction

In today's digital age, the availability of Castle Films A Hobbyists Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Castle Films A Hobbyists Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Castle Films A Hobbyists Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Castle Films A Hobbyists Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Castle Films A Hobbyists Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Castle Films A Hobbyists Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Castle Films A Hobbyists Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Castle Films A Hobbyists Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Castle Films A Hobbyists Guide books and manuals for download and embark on your journey of knowledge?
