Case Studies In Crisis Communication International Perspectives On Hits And Misses:

Case Studies in Crisis Communication Amiso M. George, Cornelius B. Pratt, 1997-08-13 *Case Studies in Crisis Communication International Perspectives on Hits and Misses* was created to fill the gap for a much needed textbook in case studies in crisis communication from international perspectives The events of September 11 2001 other major world crises and the ongoing macroeconomic challenges of financial institutions justify the need for this book While existing textbooks on the subject focus on U S corporate cases they may not appeal equally to students and practitioners in other countries hence the need to analyze cases from the United States and from other world regions The variety and the international focus of the cases be they environmental health or management successes or failures makes this book more appealing to a wider audience These cases examine socio cultural issues associated with responding to a variety of crises

Case Studies in Crisis Communication Amiso M. George, Cornelius B. Pratt, 1997-08-13 *Case Studies in Crisis Communication International Perspectives on Hits and Misses* was created to fill the gap for a much needed textbook in case studies in crisis communication from international perspectives The events of September 11 2001 other major world crises and the ongoing macroeconomic challenges of financial institutions justify the need for this book While existing textbooks on the subject focus on U S corporate cases they may not appeal equally to students and practitioners in other countries hence the need to analyze cases from the United States and from other world regions The variety and the international focus of the cases be they environmental health or management successes or failures makes this book more appealing to a wider audience These cases examine socio cultural issues associated with responding to a variety of crises

The Handbook of International Crisis Communication Research Andreas Schwarz, Matthew W. Seeger, Claudia Auer, 2016-04-18 *The Handbook of International Crisis Communication Research* articulates a broader understanding of crisis communication discussing the theoretical methodological and practical implications of domestic and transnational crises featuring the work of global scholars from a range of sub disciplines and related fields Provides the first integrative international perspective on crisis communication Articulates a broader understanding of crisis communication which includes work from scholars in journalism public relations audience research psychology political science sociology economics anthropology and international communication Explores the topic from cross national and cross cultural crisis communication approaches Includes research and scholars from countries around the world and representing all regions Discusses a broad range of crisis types such as war terrorism natural disasters pandemic and organizational crises

Media and Crisis Communication W. Timothy Coombs, 2024-12-27 This volume centers on the relationship between media and crisis communication the need to address which has only been heightened by the recent experience of COVID 19 and the needs for public health crisis communication With multiple voices and multiple fields engaging simultaneously with crisis communication this book illuminates the role of media in crisis communication within this complex environment Both traditional and digital media including social media platforms respond

to an array of crisis contexts including political crises public health crises disasters and organizational crises The book presents original research that approaches the effects of media in any of the possible crisis contexts This collection will interest scholars and students of crisis communication public relations risk communication digital media and political communication Crisis Communication in a Digital World Mark Sheehan,Deirdre Quinn-Allan,2015-04-15 Crisis Communication in a Digital World provides an introduction to major crisis communication theories and issues management using practical examples from Australia and New Zealand The book examines how public relations can influence the nature of a crisis and the impact of its aftermath It explores the role of PR specialists in different crisis situations including natural disasters and morphing crises and examines the challenges they face in a world where social media is a key source of communication Readers are provided with an in depth understanding of crisis communication and issues management through practical approaches strategies and skills which are supplemented by relevant theories based on evidence and experience International perspectives have been included throughout to illustrate the impact of multinational companies on the digital world including global media cycles and social media activism Each chapter explores a different aspect of communications including media natural disasters and celebrity crises **Research Anthology on Managing Crisis and Risk Communications** Management Association, Information Resources,2022-07-01 In times of crisis it is crucial that information is disseminated quickly and accurately to the appropriate channels In today s technological world there is a plethora of misinformation that can negatively sway individuals and provide them with false reports To ensure information is distributed appropriately organizations must implement a plan to ensure their communication is effective Further study on the best practices and challenges of managing crisis and risk communications is required to ensure organizations are prepared The Research Anthology on Managing Crisis and Risk Communications discusses strategies and tactics to effectively manage communication in times of crisis and considers the difficulties associated with maintaining a clear line of information The book also provides an overview of the potential future directions for this field to improve communications moving forward Covering key topics such as misinformation technology leadership and human health this major reference work is ideal for managers business owners organization leaders industry professionals government officials policymakers researchers academicians scholars practitioners instructors and students **Culture and Crisis Communication** Amiso M. George,Kwamena Kwansah-Aidoo,2017-08-09 A collection of case studies from nonwestern countries that offers an analysis of the significant role culture plays in crisis communication Culture and Crisis Communication presents an examination of how politics culture religion and other social issues affect crisis communication and management in nonwestern countries From intense human tragedy to the follies of the rich the chapters examine how companies organizations news outlets health organizations technical experts politicians and local communities communicate in crisis situations Taking a wider view than a single country s perspective the text contains a cross cultural and cross country

approach In addition the case studies offer valuable lessons that organizations that wish to operate or are operating in those cultures can adopt in preparing and managing crises The book highlights recent crisis events such as Syria s civil war missing Malaysia Flight MH370 and Japan s Fukushima Daiichi nuclear power plant disaster Each of the case studies examines how culture impacts communication and responses to crises Authoritative insightful and instructive this important resource Analyzes how nonwestern cultures respond to crises Covers the role of culture in crisis communication in recent news events Includes contributions from 18 international authors who provide insight on nonwestern culture and crisis communication Written for communication professionals academics and students Culture and Crisis Communication presents an insightful introduction to the topic of culture and crisis communication and then delves into illustrative case studies that explore intra cultural and trans boundary crisis communication

Digital Services in Crisis, Disaster, and Emergency Situations Oliveira, Lída,Tajariol, Federico,Gonçalves, Liliana Baptista,2021-01-29 The contemporary world is characterized by the massive use of digital communication platforms and services that allow people to stay in touch with each other and their organizations On the other hand it is also a world with great challenges in terms of crisis disaster and emergency situations of various kinds Thus it is crucial to understand the role of digital platforms services in the context of crisis disaster and emergency situations Digital Services in Crisis Disaster and Emergency Situations presents recent studies on crisis disaster and emergency situations in which digital technologies are considered as a key mediator Featuring multi and interdisciplinary research findings this comprehensive reference work highlights the relevance of society s digitization and its usefulness and contribution to the different phases and types of risk scenarios Thus the book investigates the design of digital services that are specifically developed for use in crisis situations and examines services such as online social networks that can be used for communication purposes in emergency events Highlighting themes that include crisis management communication risk monitoring digital crisis intervention and smartphone applications this book is of particular use to governments institutions corporations and professionals who deal with crisis disaster and emergency scenarios as well as researchers academicians and students working in fields such as communications multimedia sociology political science and engineering

Social Media and Crisis Communication Yan Jin,Lucinda L. Austin,2017-06-27 Social Media and Crisis Communication provides a unique and timely contribution to the field of crisis communication by addressing how social media are influencing the practice of crisis communication The book with a collection of chapters contributed by leading communication researchers covers the current and emerging interplay of social media and crisis communication recent theories and frameworks overviews of dominant research streams applications in specific crisis areas and future directions Both the theoretical and the practical are discussed providing a volume that appeals to both academic minded readers as well as professionals at the managerial decision making level The audience includes public relations and corporate communication scholars graduate students studying social media and crisis communication researchers crisis managers

working in communication departments and business leaders who make strategic business communication planning No other volume has provided the overarching synthesis of information regarding the field of crisis communication and social media that this book contains Incorporated in this volume is the recent Social mediated Crisis Communication Model developed by the editors and their co authors which serves as a framework for crisis and issues management in a rapidly evolving media landscape

Organizational Crisis Communication Finn Frandsen, Winni Johansen, 2016-10-19 When a crisis breaks out it s not always just the organization that reacts the news media customers employees trade associations politicians activist groups and PR experts may also respond This book offers a new and original perspective on crisis communication based on the theory of the Rhetorical Arena and the so called multivocal approach According to this approach we gain a more dynamic and complex understanding of organizational crises if we focus not only on the communication produced by the organization but also take into account the many other voices who start communicating when a crisis breaks out It provides An in depth overview of the five key dimensions of organizational crises crisis management and crisis communication A comprehensive introduction to the theory of the Rhetorical Arena and the multivocal approach to crisis communication including some of the most important voices inside the arena A series of important international case studies and case examples in each chapter Suitable for students studying crisis communication modules on corporate communication public relations and management and organization studies courses

Case Studies In Crisis Communication International Perspectives On Hits And Misses Introduction

In the digital age, access to information has become easier than ever before. The ability to download Case Studies In Crisis Communication International Perspectives On Hits And Misses has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Case Studies In Crisis Communication International Perspectives On Hits And Misses has opened up a world of possibilities. Downloading Case Studies In Crisis Communication International Perspectives On Hits And Misses provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Case Studies In Crisis Communication International Perspectives On Hits And Misses has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Case Studies In Crisis Communication International Perspectives On Hits And Misses. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting

readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Case Studies In Crisis Communication International Perspectives On Hits And Misses. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Case Studies In Crisis Communication International Perspectives On Hits And Misses, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Case Studies In Crisis Communication International Perspectives On Hits And Misses has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Case Studies In Crisis Communication International Perspectives On Hits And Misses Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Case Studies In Crisis Communication International Perspectives On Hits And Misses is one of the best book in our library for free trial.
