Bundle Gerald Corey, Edward Neukrug, 2014 **Theory and Practice of Counseling and Psychotherapy** Gerald Corey, 2013 *The Comprehensive Textbook of Healthcare Simulation* Adam I. Levine, Samuel DeMaria Jr., Andrew D Schwartz, Alan J. Sim, 2013-06-18 *The Comprehensive Textbook of Healthcare*

Simulation is a cohesive single source reference on all aspects of simulation in medical education and evaluation. It covers the use of simulation in training in each specialty and is aimed at healthcare educators and administrators who are developing their own simulation centers or programs and professional organizations looking to incorporate the technology into their credentialing process. For those already involved in simulation, the book will serve as a state of the art reference that helps them increase their knowledge base, expand their simulation program's capabilities, and attract new additional target learners. Features: Written and edited by pioneers and experts in healthcare simulation. Personal memoirs from simulation pioneers. Each medical specialty covered. Guidance on teaching in the simulated environment. Up to date information on current techniques and technologies. Tips from insiders on funding, development, accreditation, and marketing of simulation centers. Floor plans of simulation centers from across the United States. Comprehensive glossary of terminology. Ethical and Legal Issues in Human Resource Development Claretha Hughes, 2018-10-30. This book explores the role of HRD professionals in ethical and legal decision making in the workplace. While previous books have described the need for ethics in HRD, this book presents ways that HRD scholars and professionals can influence through collaborative relationships, effective implementation of ethical policies, and legal standards in the workplace. The ethical policies of an organization provide a key insight into its values, and this book shows the relationship between those values and HRD practices such as training and development, career development, and organization development. Exploring such topics as protected classes, diversity, intelligence, employee rights, and employee privacy, this book will inform HRD scholars and professionals on researching and enhancing ethical and legal decision making in the workplace. **The Journal of Education**, 1926
