Castle Dangerous Walter Scott, 2018-06-25 **Castle Dangerous** Walter Scott **Castle Dangerous** 1831 was the last of Walter Scott's novels published in his lifetime. The story is set in Ayrshire and Lanarkshire around 1306 shortly after the death of William Wallace during the Wars of Scottish Independence. Lady Augusta has promised to marry Sir John de Walton provided that he can maintain possession of the castle he has captured for a year and a day. Regretting her promise, she resolves to travel in disguise to the castle to find some method of subversion. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand-curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience. [Castle Dangerous, Vol. 2](#) Walter Scott, 2016-12-01

Excerpt from **Castle Dangerous Vol 2 Index and Glossary**. This interlude carried some confusion into the proceedings of the hunt, thus suddenly surprised by the apparition of Michael Turnbull, an armed and avowed follower of the House of Douglas, a sight so little to be expected in the territory where his master was held a rebel and a bandit, and where he himself must have been well known to most of the peasantry present. The circumstance made an obvious impression on the English chivalry. Sir John de Walton looked grave and thoughtful, ordered the hunters to be assembled on the spot and directed his soldiers to commence a strict search among the persons who had attended the chase so as to discover whether Turnbull had any companions among them, but it was too late to make that inquiry in the strict fashion which De Walton directed. Dangerous (Classic Reprint) Walter Scott, 2016-11-02 Excerpt from **The Surgeon's Daughter And Castle Dangerous**. And what would you do? I said. Reason after a few moments' reflection. You are ambitious of introducing your book into every writing and reading chamber in Edinburgh, and yet you take fire at the thoughts of its being criticised by Mr Fair scribe's young people. Be a little consistent for shame. About the Publisher Forgotten Books publishes hundreds of thousands of rare
