Barbara Baute, 2017-01-23 This is the book that will show you where you stand with Jesus Christ as our savior There's another book called the bible will tell you all about the things that come in your life That will keep you from going over the blood line Then things will start to happen in your own life That you don't have any control just leaving him is a very dangerous thing to do People don't really understand how dangerous until they walk into a place of the unknown cross road of the blood line The Blood line has a lot of parts in this book you will find them I am going to show a list of things that you will know in your heart that they can be easy to recognize in your own life Because sometime we have blindness and deafness that come into our life that we need to be able to know what right and walk into the light of life I want this book to open everyone's eyes and ears to the Anointed one with his words that will make you be set free This question is very easy to recognize when you are walking down the road of decision and you don't know what to do about your life

Secret Sin Mary Comm, 2006-08-01 Secret Sin When God's People Choose Abortion was written because abortion is one of the last great secret sins that remains in the closet And because the Church hasn't been aware of the magnitude of this secret sin or how it affects those it touches the Church has done little or nothing to help these people suffering silently in their midst to find healing in Christ This book was written to pull back the curtain giving those within the Church an inside look into the world of the post abortive Christian

with the intent of spurring them on to begin reaching out to these hurting people with the compassion of Christ

Conspiracy Theorizing Gerald Arbuckle,2024-05-01 *Conspiracy Theorizing* explore how should individuals with the Christian faith should react to conspiracy theories their untruths and their dangers This book outlines the way that conspiracy theories are the fundamental basis for this stigmatization and scapegoating It goes further to explain that scapegoating is fostering extreme divisions within in societies and between nations with each side often demonizing the other This book states how conspiracy theories satisfy people s needs for certainty security and a positive self image in a world they feel is disintegrating Uncovering deeper when the comforting securities of cultures crumble paranoia makes sense This book demonstrates that an inability to live with uncertainty and ambiguity draws people to conspiracy theories when they validate their apprehensions The commentary in this book also validates that since conspiracy theories can never be verified by objective research and truths they are one of the most problematic subjects to expose This book aims to answer these questions What are conspiracy theories Why do they arise especially in times of cultural upheavals Are they harmful What do the Christian Scriptures say about them Readers that are interested in religion Christianity and conspiracy theories would enjoy this book
