Covert Wars And The Clash Of Civilizations Ufos Oligarchs And Space Secrecy:

Covert Wars and Clash of Civilizations Joseph P. Farrell, 2020-07-24 Oxford educated historian Joseph P Farrell delivers the sequel to his best selling *Covert Wars and Breakaway Civilizations* part of his book series on suppressed technology Nazi survival secret finance and postwar hidden conflicts His customary meticulous research and sharp analysis blow the lid off of a worldwide web of nefarious financial and technological control that very few people even suspect exists Farrell delves deeper into the breakaway civilizations created by the Nazis in South America and other parts of the world He elaborates on the advanced technology that they took with them at the end of World War II and shows how they created a huge system of hidden finance with the involvement of leading financial institutions around the world He exposes the secret space programs used by the breakaway civilizations and reveals the clash of civilizations a virtual secret war going on around us He investigates the current space secrecy that involves UFOs suppressed technologies and the hidden oligarchs who control planet Earth for their own gain and profit Farrell probes the mystery surrounding Dr Kurt Debus and his links to NASA and Werner von Braun He uncovers the covert operations of Richard Bissell the flying saucer designs of Alfred Loedding and T Townsend Brown and strange activity on Mars involving UFOs He explains the magneto hydrodynamic anti gravity drives that would easily power such craft He includes a continued discussion of emulational technologies those that can imitate acts of god nature like earthquakes and storms from the standpoint of the culture of full spectrum dominance and the culture of plausible deniability Farrell includes plenty of astounding accounts documents and speculation on the amazing alternative history of hidden conflicts secret oligarchies and super technology [Hidden Finance, Rogue Networks, and Secret Sorcery](#)

Joseph P. Farrell, 2020-04-19 Pursuing his investigations of high financial fraud international banking hidden systems of finance black budgets and breakaway civilizations author and researcher Joseph P Farrell investigates the theory that there were not two levels to the 9 11 event but three He says that the twin towers were downed by the force of an exotic energy weapon one similar to the Tesla energy weapon suggested by Dr Judy Wood and ties together the tangled web of missing money secret technology and involvement of portions of the Saudi royal family Farrell unravels the many layers behind the 9 11 attack layers that include the Deutschebank the Bush family the German industrialist Carl Duisberg Saudi Arabian princes and the energy weapons developed by Nikola Tesla before WWII It is Farrell at his best uncovering the massive financial fraud special operations and hidden technology of the breakaway civilization **Covert Wars and Breakaway**

Civilizations Joseph P. Farrell, 2012 Farrell examines how the Nazi survivors in South America are using advanced technology to create secret space programs to control the planet Earth He explains how their use of UFOs has helped create a vast and almost complete hidden system of finance within the world which is funding covert operations both on this planet and off From engineering earthquakes to 9 11 these technologies have had profound repercussions for the world **The Secret Space Program and Breakaway Civilization** Richard M. Dolan, 2016-08-16 Is there a secret space program that is

connected in some way to UFOs In this booklet historian Richard Dolan delves into this question one of the most discussed in ufology today Providing a wealth of data and context for the reader he offers his own conclusion yes there is indeed such a program But this program is not a simple extension of the normal operations of the U S government or military much less of NASA Instead it seems to be the product of what Dolan has previously termed a breakaway civilization a radically advanced and increasingly separate structure that has access to classified science and data denied to the rest of us Adapted from his classic lecture at the Secret Space Program and Breakaway Civilization conference in San Mateo this is now offered as a volume in the Richard Dolan Lecture Series **The Secret Space Age** Olav Phillips,2015-02-10 Author s name should be Olav Phillips on title page **The Secret Space Age** Olav Phillips,2014-07-23 In 1977 in the quiet English countryside a film was aired It was so shocking that for more then 30 years it s been discussed and analyzed But what if Alternative Three was in fact real Was it the blueprint for surviving the end of the world How does it connect to the Secret Space Program Nazi UFO s SDI and even Chemtrails Are there bases on the Moon For the first time ever shocking details about the Secret Space Program and Alternative Three are exposed The connections between some of the greatest Conspiracies of all time and a secret government program to move to Mars to survive the coming global apocalypse **Secret History** Nick Redfern,2015-04-20 A guide to the hidden mysteries and secrets of the world from an established author and expert on conspiracies the unexplained and the paranormal History is written by the winners and the powerful but how much of it is fiction And who is really in control today From the dawn of civilization to the 21st century from ancient aliens to the New World Order Secret History Conspiracies from Ancient Aliens to the New World Order examines explores and uncovers the hidden overlooked and buried history of civilization The book moves from biblical Egyptian Mayan Greek and early mysteries of antiquity to the clandestine doings of the Nazis and the Masons and assassination plots of the more recent past to the surveillance monitoring mind control and secret schemes of today Researcher Nick Redfern investigates the stories mythologies lore behind incredible events and clandestine groups of yesterday and today More than 60 entries dig deep into the manipulation of events by influential groups including Historical riddles revealing alien visitations space gods human alien crossbreeding and more Government cover ups exposing mind control murders scientists research secret agents agendas and more Powerful groups and intended consequences illuminating 9 11 new world order bird flu chemtrails and more Tracing the chilling and lasting effects of conspiracies cabals and plots Secret History Conspiracies from Ancient Aliens to the New World Order exposes their deep reach in shaping today s world Truly an eye opening read **Weapons of the Gods** Nick Redfern,2025-09-12 In 1945 the Japanese cities of Hiroshima and Nagasaki became the first and last victims of the atom bomb the most destructive man made force our planet has ever known Or were they just the latest in a long line of Armageddon level events Is it possible that our civilization is in reality just one of many Did previous cultures blossom develop and thrive only to destroy themselves tens or hundreds of thousands of years ago with the same atomic technology

These are the controversial and thought provoking questions at the heart of Nick Redfern's *Weapons of the Gods* which argues that many ancient civilizations cracked the secrets of the atom only to become the victims of its awesome terrifying power. Still others may have been destroyed by hostile aliens with their own nuclear arsenals. Where is the evidence? The answer is shockingly simple: it's everywhere. It's just a matter of knowing where to look for it: from the biblical cities of Sodom and Gomorrah and the ancient Pakistani culture of Mohenjo-daro, Pakistan to the Lonar Crater in India and the revelations in the Ramayana and Mahabharata, two ancient Sanskrit texts that describe nuclear warfare thousands of years ago.
