

# How to Use

## *Daily Language Review*

---

1. Reproduce the activities for each five-day unit and cut apart the half-page lessons for Days 1 through 4, or distribute a student book to each student. If appropriate, provide access to a dictionary and a thesaurus.
2. Consult the Skills Scope and Sequence chart (pages 6 and 7) to identify any skills that are unfamiliar to your students. You may want to preview those skills as a whole-class activity.
3. Have students work to complete the daily lessons individually, with a partner, or in a small group. You may want to use each day's lesson as a quick informal assessment.
4. Establish a procedure for students to complete and check their own work. For example, read over the steps in the how-to tips below.
5. Allow sufficient time for sharing responses and discussing word choices. Elicit a range of answers for the open-ended items. Modeling a variety of strategies and thought processes offers valuable learning benefits.

Reproduce and distribute to students.
