Making Space for Active Learning Anne C. Martin,Ellen Schwartz,2014-06-13 This powerful collection will inspire new and veteran teachers to make space for children s interests for teaching as relational and intellectual work and for new insights and ideas The authors introduce the Prospect Center s Descriptive Review of Practice a collaborative inquiry process that provides an opportunity for teachers to examine their practice and gain new perspectives from other participants The contributors to this volume respond to each child s modes of thinking as they develop curriculum or find wiggle room in curricula they are given By demonstrating how it is possible to pursue careful knowledge of craft this book offers ways of teaching that allow for continuing growth and change

Diversity in Practice Spencer Headworth,Robert L. Nelson,Ronit Dinovitzer,David B. Wilkins,2016-04-01 Expressions of support for diversity are nearly ubiquitous among

contemporary law firms and corporations Organizations back these rhetorical commitments with dedicated diversity staff and various diversity and inclusion initiatives Yet the goal of proportionate representation for people of color and women remains unrealized Members of historically underrepresented groups remain seriously disadvantaged in professional training and work environments that white upper class men continue to dominate While many professional labor markets manifest patterns of demographic inequality these patterns are particularly pronounced in the law and elite segments of many professions Diversity in Practice analyzes the disconnect between expressed commitments to diversity and practical achievements revealing the often obscure systemic causes that drive persistent professional inequalities These original contributions build on existing literature and forge new paths in explaining enduring patterns of stratification in professional careers These more realistic assessments provide opportunities to move beyond mere rhetoric to something approaching diversity in practice **The Latest and Best of TESS** ,1991 *Waves, Sound, and Light* Glencoe/McGraw-Hill,2001-06
